Dear members of the CPSB,
PUCO

I am writing in regard to the Emerson Creek Wind project. After researching the pros and cons of wind farms, I wish to register my NO vote for erecting turbines in Huron County. The "promise" of many jobs and much money dazzles the few that would benefit.

The effects on our health, known and unknown, on wild life and the earth itself are being sacrificed. Hopefully, common sense will prevail. The adage "the ends do not justify the means" needs to guide decisions.

Sincerely,

James J. Marlow
