**RE: Case No. 16-1487-EL-BLN
Good Hope-Harrison 138 kV Transmission Line Rebuild Project
Notice of Adjustments**

Dear Chairman Randazzo:

After consulting with OPSB Staff, AEP Ohio Transmission Company, Inc. (“AEP Ohio Transco”) provides the following notice of adjustments to structures associated with the above referenced Project.

AEP Ohio Transco proposes to adjust one structure on the Good Hope-Harrison 138kV Transmission Line Rebuild Project. The structure is referred to as Structure 13, and it has shifted 30ft south of the OPSB-approved centerline. The proposed adjustment does not affect any new property owners, require any new right-of-way, or impact to additional wetlands or streams. The adjustment will require additional tree clearing, which the applicable property owner has approved.

Please let me know if you have any questions or need additional information.

Respectfully submitted,

/s/ Christen M. Blend
