**MEMORANDUM IN SUPPORT OF
MOTION FOR EXTENSION**

Due to a change in company personnel, US ECG did not meet the April 5, 2019, or May 5, 2019 deadlines filing date for its Renewal Application in Case No. 13-0756-EL-AGG. US ECG sincerely apologizes for the delay and emphasizes its desire to continue to serve customers in Ohio. An Application for Certification will be filed as soon as possible in Pub. Util. Comm. Case No. 19-1080-EL-AGG. US ECG is filing this motion pursuant to O.A.C. 4901:1-24-04 to request that Certificate 13-684E (3) be automatically extended during the pendency of the application review in Case No. 19-1080-EL-AGG so that US ECG can continue serving its customer.

Ohio Administrative Code Rule 4901:1-24-04 provides that a motion requesting an extension of a certificate will be deemed automatically approved if filed in conformance with 4901:1-24-07 or 4901:1-24-13 unless ruled otherwise by the Commission or an Attorney Examiner within three business days. US ECG submits that it has met the criteria and respectfully requests an automatic extension of the expiration date of Certificate No. 13-684E (3) issued in Case No. 13-0756-EL-AGG until such time as a new certificate is issued in Case No. 19-1080-EL-AGG.
