RE: Construction Notice
West Millersport Station Expansion Project
Case No. 19-0798-EL-BNR

Dear «ADDRESSEE»:

You are receiving this letter because we wanted to let you know about a proposed transmission project in your area.

AEP Ohio plans to expand West Millersport Station off Lancaster-Newark Road in Walnut Township, Fairfield County. The approximate \$5.5 million investment improves performance and increases electric reliability in the area. Construction begins this fall on AEP Ohio's property and concludes next spring.

Please see the attached Construction Notice, which we must submit to the Ohio Power Siting Board (OPSB) when we make certain changes to our transmission facilities. The submission complies with Rule 4906-6-01, et. seq., of the Ohio Administrative Code. We filed this project as the West Millersport Station Expansion Project, Public Utilities Commission of Ohio Case No. 19-0798-EL-BNR.

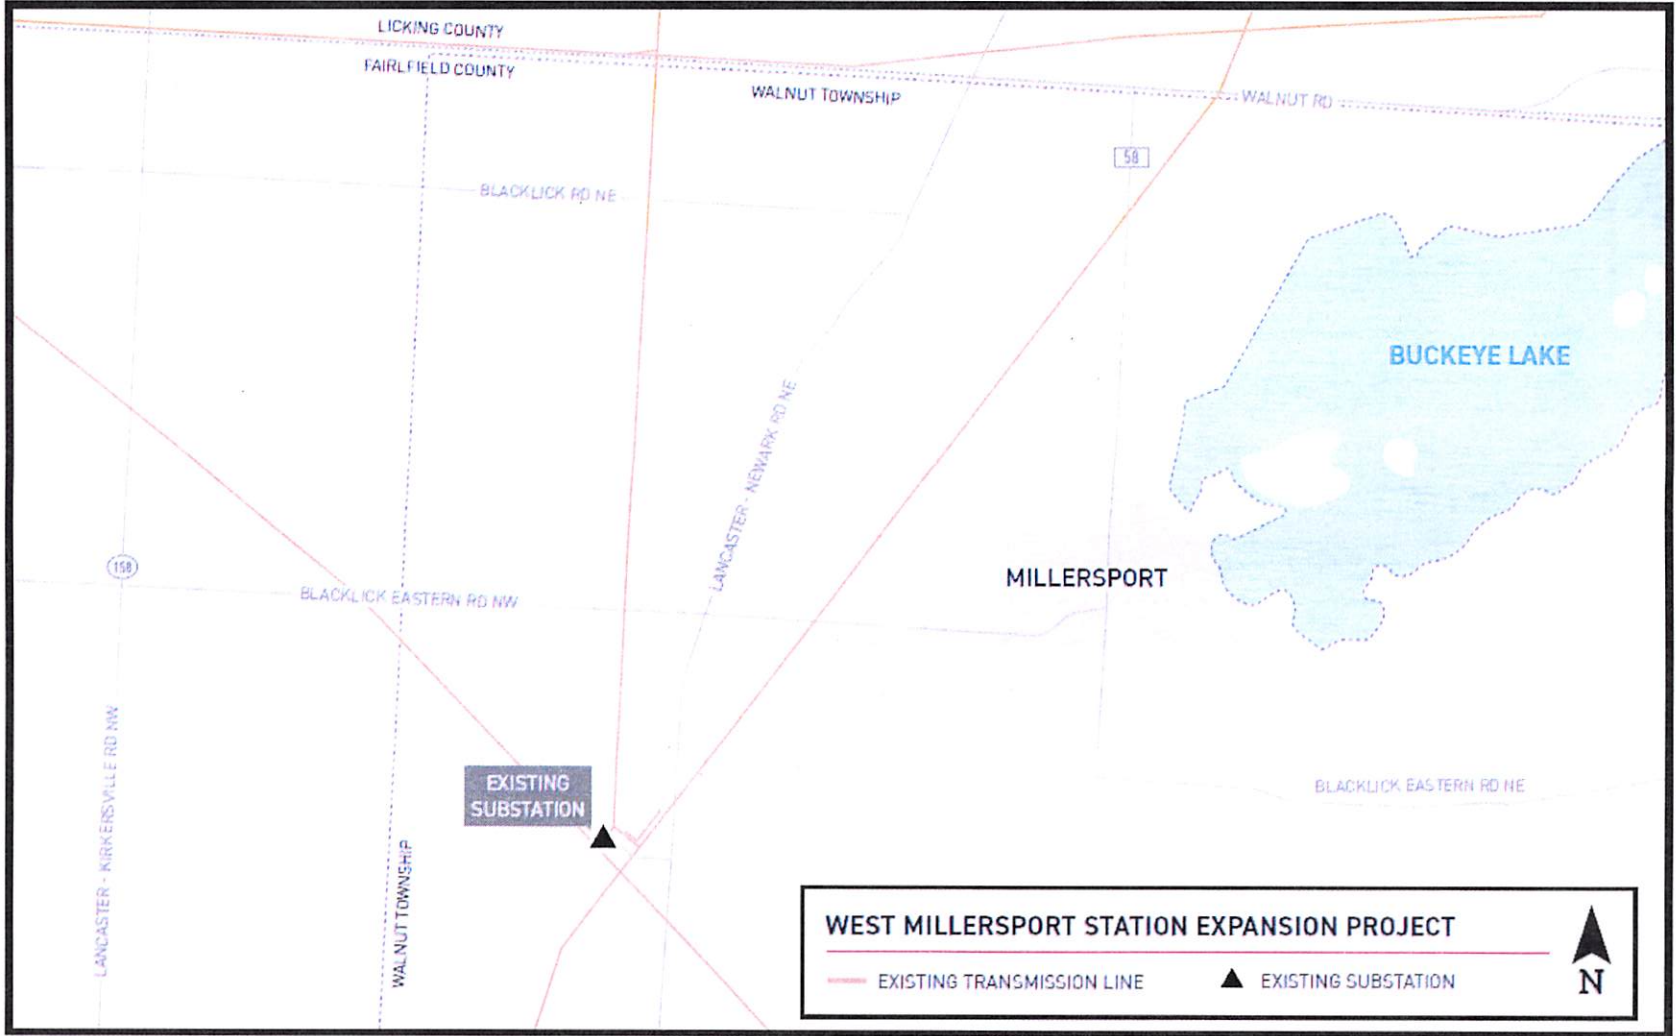

The Construction Notice to construct, operate and maintain this facility is pending an OPSB review. Please make this Construction Notice available to the public. We also are communicating with landowners in the project area.

Please contact me if you would like an electronic copy of the Construction Notice or if you have any questions about this project.

Sincerely,
