Dear Ohio Power Siting Board -

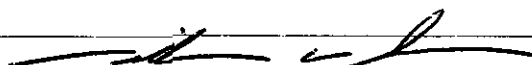

I have attached a resolution from the Oxford Township (Erie County) trustees regarding the Emerson Creek wind project.

These trustees, closest to their constituents who will be affected by the project, voted unanimously against the project.

In Erie County, the Emerson Creek wind project is the wrong project in the wrong place at the wrong time.

Thank you for posting this to the public comments under 18-1607-EL-BGN.

Sincerely,

William C Seaman
