LEGAL NOTICE

AQUA OHIO, INC., NOTICE OF APPLICATION TO ASSESS A SYSTEM IMPROVEMENT CHARGE BEFORE THE PUBLIC UTILITIES COMMISSION OF OHIO

Districts Formerly Served by Ohio American Water Company

Public notice is hereby given that on March 4, 2019, Aqua Ohio, Inc. filed with the Public Utilities Commission of Ohio an Application for Authority to Assess a System Improvement Charge in the following districts formerly served by Ohio American Water Company: Ashtabula, Marion, Tiffin, Franklin County, Mansfield, Portage County, Lake White, Lawrence County, and Preble County. The case number of the proceeding before the Public Utilities Commission of Ohio is 19-567-WW-SIC.

A copy of the application is available for inspection at the office of Aqua Ohio, Inc., located at 6650 South Avenue, Boardman, Ohio 44512. Additionally, a copy of said application is available for inspection at the offices of the Public Utilities Commission of Ohio located at 180 East Broad Street, Columbus, Ohio 43215. The filing may also be viewed online at the Commission's docketing department website www.ohio.gov/puco/docketing/index.cfm.

In its application, the Company seeks to avail itself of the authority set forth in Ohio Revised Code section 4909.172 to assess a monthly system improvement charge on all unmetered, metered and fire service customers. The purpose of seeking authority to assess and collect a SIC is to fund the replacement and rehabilitation of infrastructure including aging water mains and plant that are crucial to service reliability and water quality. Improvements totaling \$18 million have been made since the last rate increase or system improvement charge approved by the Public Utilities Commission of Ohio. The application, if granted in full, will result in an additional \$2.06 per month for an average residential customer using 4,000 gallons of water per month in Ashtabula, Marion, Tiffin, Franklin County, Mansfield, Portage County, Lake White, Lawrence County, and Preble County; and \$2.06 for unmetered customers in Mansfield. The proposed surcharge would equal 3.767 percent of the total water service bill of each customer. Customers can contact the applicant toll-free at 877.987.2782 with any questions concerning the application.

Any person, firm, corporation or association may file comments regarding the proposed application with the Public Utilities Commission of Ohio. Any comments must be filed with the Public Utilities Commission of Ohio by May 24, 2019.

The filing may also be viewed online at the Commission's docketing department website www.ohio.gov/puco/docketing/index.cfm. In this application, the Company seeks to avail itself of the authority set forth in Ohio Revised Code section 4909.172 to assess a monthly system improvement charge on all metered and fire service customers. The purpose of seeking authority to assess and collect a SIC is to fund the replacement and rehabilitation of infrastructure including aging water mains and plant that are crucial to service reliability and water quality. Improvements totaling \$18 million have been made since the last rate increase or system improvement charge approved by the Public Utilities Commission of Ohio. The application, if granted in full, will result in an additional \$1.70 per month for an average residential customer using 4,000 gallons of

water per month in the Lake Erie East, Masury, Norlick Divisions and Mohawk Utilities. The proposed surcharge would equal 3.767 percent of the total water service bill of each customer. Customers can contact the applicant toll-free at 877-987-2782, with any questions concerning the application. Any person, firm, corporation or association may file comments regarding the proposed application with the Public Utilities Commission of Ohio. Any comments must be filed with the Public Utilities Commission of Ohio by May 24, 2019.

Mike DeWine broke with his predecessor, Republican John Kasich, who had vetoed the measure twice on grounds that it was unconstitutional.

But DeWine defended Ohio Republicans' decision to push the boundaries of the law, because "it is the right thing to do."

"Taking this action really is a kind of a time-honored tradition, the constitutional tradition of making a good faith argument for modification or reversal of existing legal precedents," he said. "So that is what this is."

He said it's the government's job to pro-

once a fetal heartbeat is detected, which doctors say can be as early as five weeks into pregnancy, before many women know they are pregnant.

Ohio's closely divided politics had slowed the progress of the bill as it has caught momentum elsewhere, forcing years of debate in the state where the movement originated. Of five previous states that have passed heartbeat bills, three have seen their laws struck down or blocked by the courts, another faces a legal injunction and the fifth is awaiting governor's action.

have always wanted. They hope to provoke a legal challenge with the potential to overturn the U.S. Supreme Court's 1973 Roe v. Wade ruling that legalized abortion up until viability, usually at 22 to 24 weeks.

"The heartbeat bill is the next incremental step in our strategy to overturn Roe v. Wade," said Ohio Right to Life President Mike Gonidakis. "While other states embrace radical legislation to legalize abortion on demand through the ninth month of pregnancy, Ohio has drawn a line and continues to advance protections for

The filing may also be viewed online at the Commission's docketing department website www.ohio.gov/puco/docketing/index.cfm.

In its application, the Company seeks to avail itself of the authority set forth in Ohio Revised Code section 4909.172 to assess a monthly system improvement charge on all unmetered customers. The purpose of seeking authority to assess and collect a SIC is to fund the replacement and rehabilitation of infrastructure including aging water mains and plant that are crucial to service reliability and water quality. Improvements totaling \$18 million have been made since the last rate increase or system improvement charge approved by the Public Utilities Commission of Ohio. The application, if granted in full, will result in an additional \$1.70 per month for the unmetered customers in the Auburn Lakes, Woods of Auburn Lakes and Auburn Crossing Condominium Developments. The proposed surcharge would equal 3.767 percent of the total water service bill of each customer. Customers can contact the applicant toll-free at 877.987.2782 with any questions concerning the application.

Any person, firm, corporation or association may file comments regarding the proposed application with the Public Utilities Commission of Ohio. Any comments must be filed with the Public Utilities Commission of Ohio by May 24, 2019.
