SECTION B - APPLICANT AUTHORITY AND AGGREGATION PROGRAM INFORMATION

PROVIDE THE FOLLOWING AS SEPARATE ATTACHMENTS AND LABEL AS INDICATED

- B-1 Exhibit B-1 "Authorizing Ordinance,"** provide a copy of the adopted ordinance or resolution that reflects voter authorization to form a governmental aggregation program pursuant to Sections 4929.26 and 4929.27 of the Ohio Revised Code.
- B-2 Exhibit B-2 "Operation and Governance Plan,"** provide a copy of the applicant's plan for operation and governance of its aggregation program adopted pursuant to Sections 4929.26(C) or 4929.27(B) of the Revised Code. The Operation and Governance Plan should include all information pursuant to Rule 4901:1-28-03 of the Ohio Administrative Code.
- B-3 Exhibit B-3 "Automatic Aggregation Disclosure Notification,"** if the aggregation program provides for automatic aggregation in accordance with Section 4929.26(A) of the Revised Code, provide a copy of the disclosure notification required by Section 4929.26(D) of the Revised Code,
- B-4 Exhibit B-4 "Opt-Out Notice,"** provide a draft copy of the applicant's opt out notice that comports with the Opt-Out disclosure requirements pursuant to Rule 4901:1-28-04 of the Ohio Administrative Code. *(Ten days prior to public dissemination, the applicant shall docket with the Commission, the finalized Opt-Out notice that provides or offers natural gas aggregation service.)*
- B-5 Exhibit B-5 "Experience,"** provide a detailed description of the applicant's experience and plan for: providing aggregation services *(including contracting with consultants, broker/aggregators, retail natural gas suppliers)*; providing billing statements; responding to customer inquiries and complaints; and complying with all applicable provisions of Commission rules adopted pursuant to Section 4929.22 of the Ohio Revised Code and contained in Chapter 4901:1-29 of the Ohio Administrative Code.

Authorizing

Ordinance/Resolution

City of St. Marys

ORDINANCE NO. 2003-05

AN EMERGENCY ORDINANCE TO FACILITATE
COMPETITIVE RETAIL NATURAL GAS SERVICE
TO PROMOTE NATURAL GAS SAVINGS, LOWER COST NATURAL GAS SUPPLIES
AND OTHER BENEFITS FOR CERTAIN NATURAL GAS CONSUMERS,
AUTHORIZING ALL ACTIONS NECESSARY TO EFFECT
AN OPT-OUT NATURAL GAS AGGREGATION PROGRAM
PURSUANT TO SECTION 4929.26 OF THE OHIO REVISED CODE AND
ARTICLE XVIII SECTION 4 OF THE OHIO CONSTITUTION;
DIRECTING THE AUGLAIZE COUNTY BOARD OF ELECTIONS
TO SUBMIT A BALLOT QUESTION TO THE ELECTORS;
AND AUTHORIZING AN AGREEMENT WITH AMPO, INC. FOR SUCH PURPOSES

WHEREAS, Article XVIII Section 4 of the Ohio Constitution grants the City of St. Marys (the "Municipality") certain authority related to utility service; and

WHEREAS, pursuant to Chapter 4929 of the Ohio Revised Code, to facilitate competitive retail natural gas service to promote natural gas savings, lower cost natural gas supplies, and other benefits, certain governmental entities may aggregate certain natural gas consumers within their jurisdiction; and

WHEREAS, pursuant to Section 4929.26, Revised Code, the Municipality is authorized to establish an opt-out natural gas aggregation program ("Gas Aggregation") for the benefit of certain natural gas consumers within the Municipality so that the consumers may realize lower cost natural gas supplies and other benefits from the aggregation and collective purchasing of natural gas supplies; and

WHEREAS, Gas Aggregation provides an opportunity for natural gas consumers collectively to realize natural gas savings, lower cost natural gas supplies, and other benefits that the consumers may not otherwise be able to realize individually; and

WHEREAS, the Municipality desires to submit to the electors of the Municipality the question of whether the Municipality should create a Gas Aggregation program to facilitate competitive retail natural gas service to promote natural gas savings, lower cost natural gas supplies, and other benefits in accordance with Section 4929.26, Revised Code; and

WHEREAS, this Ordinance constitutes an emergency measure providing for the immediate preservation of the public peace, property, health, or safety, in that opportunities to coordinate aggregation activities with certain suppliers of natural gas may become limited; and

WHEREAS, the Municipality has adopted this Ordinance pursuant to the authority conferred by Article XVIII Section 4 of the Ohio Constitution and Section 4929.26, Revised Code; and

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL FOR THE CITY OF ST. MARYS, OHIO:

SECTION 1. This Council finds and determines that to facilitate competitive retail natural gas service to promote natural gas savings, lower cost natural gas supplies, and other benefits, it is in the best interest of the Municipality and certain natural gas consumers within the jurisdiction of the Municipality to establish an opt-out natural Gas Aggregation program in the Municipality pursuant to Section 4929.26, Revised Code. Provided that this Ordinance and the Gas Aggregation program is approved by the electors of the Municipality in accordance with this Ordinance, the Municipality is hereby authorized to take all actions necessary to affect a Gas Aggregation program pursuant to Section 4929.26, Revised Code. The Municipality may exercise this authority jointly with other entities to the full extent permitted by law, and for such purposes, the Director of Public Service and Safety of the City of St. Marys is hereby authorized

to execute and deliver an agreement with AMPO, Inc. to assist the Municipality as its consultant and agent to effect the Gas Aggregation program. Actions necessary to effect the Gas Aggregation program include determining and entering into service agreement(s) with natural gas suppliers to facilitate the sale and purchase of all natural gas commodity and services to serve the enrolled natural gas consumers. The Municipality shall be authorized by the electors to be the only entity authorized to act for and on behalf of the enrolled natural gas consumers to determine and select the natural gas supplier(s) to provide the commodity and all other services for the Gas Aggregation program and the enrolled consumers.

SECTION 2. The Gas Aggregation program shall not apply to persons meeting any of the following criteria, as more specifically described in Section 4929.26(A)(2), Revised Code: (i) the person is both a distribution service customer and a mercantile customer, (ii) the person has an existing commodity sales service contract with a retail natural gas supplier, (iii) the person has an existing commodity sales service as part of a retail natural gas aggregation pursuant to Rules and Orders of the Public Utilities Commission of Ohio ("Commission"), or (iv) such other persons that are not eligible pursuant to Rules and Orders of the Commission or the plan of operations and governance (the "Plan") for the Gas Aggregation program.

SECTION 3. The Board of Elections of Auglaize County is hereby directed to submit the following question to the electors of the Municipality at the primary election on May 6, 2003:

To facilitate competitive retail natural gas service to promote natural gas savings, lower costs of natural gas supplies, and other benefits, shall the City of St. Marys have the authority to aggregate retail natural gas loads located in the City of St. Marys and enter into service agreements for the sale and purchase of natural gas commodity and other services, such aggregation to occur automatically, except where any person affirmatively elects not to be so enrolled by a stated procedure?

FOR, the City of St. Marys to facilitate competitive retail natural gas service to promote natural gas savings and other benefits by acting as an aggregator.

NOT FOR, the City of St. Marys to facilitate competitive retail natural gas service to promote natural gas savings and other benefits by acting as an aggregator.

The Clerk of this Council is instructed to file a certified copy of this Ordinance and the proposed form of the ballot question with the Auglaize County Board of Elections not later than February 20, 2003, which is seventy-five (75) days prior to May 6, 2003. The Gas Aggregation program shall not take effect unless approved by a majority of the electors voting upon the proposed ballot question at the election held in accordance with this Ordinance and Sections 4929.26, Revised Code. Upon approval, the Gas Aggregation shall take effect at the earliest permissible point in time and continue thereafter in accordance with Section 4929.26, Revised Code, and other requirements of Chapter 4929, Revised Code.

SECTION 4. Upon approval by a majority of the electors voting at the election provided for in this Ordinance, the Municipality shall develop and adopt a Plan of operations and governance for the Gas Aggregation program. Consumers enrolled in the Gas Aggregation program shall be supplied their natural gas requirements and other services in accordance with supply agreement(s) determined and arranged by the Municipality, as opportunities become available to provide benefits on behalf of the natural gas consumers enrolled in the Gas Aggregation program and the consumers located within the jurisdiction of the Municipality. The Municipality shall be authorized by the electors to be the only entity authorized to act for and on behalf of the natural gas consumers that have enrolled in the Gas Aggregation program to determine and select the natural gas supplier(s) to provide the commodity and all other services for the Gas Aggregation program and the enrolled consumers. Before adopting such Plan, at least two public hearings on the Plan shall be held. Before the first hearing, notice of the first hearing shall be published once a week for two consecutive weeks in a newspaper of general circulation in the Municipality. The notice shall summarize the Plan and state the date, time, and location of each hearing.

6

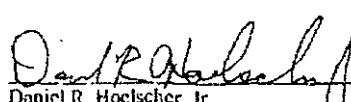

SECTION 5. The adopted Plan shall not aggregate any retail natural gas load within the Municipality, unless the person whose retail natural gas load is to be so aggregated is notified in advance that the person will be enrolled automatically in the Gas Aggregation program and shall remain so enrolled, unless the person affirmatively elects not to be so enrolled by a stated procedure. The disclosure shall state the rates, charges, and other terms and conditions of the enrollment. Once enrolled the consumer may only opt-out of the Gas Aggregation program every two years without paying a switching fee. Any such person that opts-out of the Gas Aggregation program shall default to the natural gas company providing distribution service for the person's retail natural gas load, until the person chooses an alternative supplier.

SECTION 6. That the Auglaize County Board of Elections shall cause an appropriate notice to be duly given of the election to be held on May 6, 2003, on the foregoing proposal and otherwise to provide for such election in the manner provided by the laws of the State of Ohio.

SECTION 7. This Council finds and determines that all formal actions of this Council concerning and relating to the adoption of this Ordinance were taken in an open meeting of this Council and that all deliberations of this Council and any of its committees that resulted in those formal action were in compliance with the Law.

SECTION 8. That this is an emergency ordinance, the reason for the emergency being that the immediate passage of this legislation is necessary in order for said issue to be placed on the May ballot, and provided it receives the affirmative vote of 2/3 of all the members elected to Council and approval by the Mayor, it shall therefore take effect and be in force immediately upon its passage.

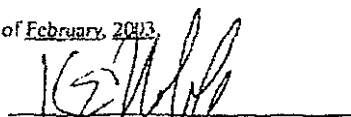

Passed this 10th day of February, 2003.

ORDINANCE NO. 2003-25

AN EMERGENCY ORDINANCE TO APPROVE THE
PLAN OF OPERATION AND GOVERNANCE
FOR THE CITY OF ST. MARYS' NATURAL GAS AGGREGATION PROGRAM

WHEREAS, pursuant to Chapter 4929 of the Ohio Revised Code, to facilitate competitive retail natural gas service to promote natural gas savings, lower cost natural gas supplies, and other benefits, certain governmental entities may aggregate certain natural gas consumers within their jurisdiction; and,

WHEREAS, on May 6, 2003, the electors of the City of St. Marys approved of the City's plan to create an aggregation program for customers located within the boundaries of the City; and,

WHEREAS, Ohio Revised Code 4929.26(C) requires a governmental entity interested in the automatic registration of customers under governmental aggregation, subject to customer rights to "opt-out" of such an aggregation, to adopt a Plan of Operation and Governance for its aggregation program; and,

WHEREAS, public hearings were held on June 3rd and June 10th with regards to the City of St. Marys' Municipal Natural Gas Aggregation Program Plan of Operation and Governance.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL FOR THE CITY OF ST. MARYS, OHIO:

SECTION 1. That this Council hereby adopts the City of St. Marys Plan of Operation and Governance, (attached hereto and incorporated herein by reference as Exhibit A) for the implementation and administration of the City's municipal gas aggregation program in accordance with Ohio Revised Code 4929.26(C).

SECTION 2. That this is an emergency ordinance, the reason for the emergency being that opportunities to coordinate aggregation activities with certain suppliers of natural gas services may become limited; all of which is necessary for the health, safety, and welfare of the citizens of St. Marys; therefore, this ordinance shall take effect and be in force immediately upon its passage.

Passed this 23rd day of JUNE, 2003.

THE DIRECTOR OF PUBLIC SERVICE AND SAFETY TO FILE AN
OHIO NATURAL GAS GOVERNMENTAL AGGREGATORS RENEWAL
APPLICATION AND RELATED DOCUMENTS WITH THE
PUBLIC UTILITIES COMMISSION OF OHIO, APPROVING CERTAIN
CHANGES IN THE PLAN OF OPERATION AND GOVERNANCE
FOR THE CITY OF ST. MARYS NATURAL GAS AGGREGATION PROGRAM**

WHEREAS, pursuant to Chapter 4929 of the Ohio Revised Code, to facilitate competitive retail natural gas service, to promote natural gas service to promote natural gas savings, lower cost natural gas supplies, and other benefits, certain governmental entities may aggregate certain natural gas consumers within their jurisdiction; and,

WHEREAS, on May 19, 2003, the electors of the City approved of the city's plan to create an aggregation program for customers located within the boundaries of the City; and,

WHEREAS, pursuant to the requirements of Section 4929.26(C) applicable to a governmental entity providing for the automatic registration of customers under governmental aggregation, subject to customer rights to "opt-out" of such an aggregation, this Council on June 23, 2003, adopted Ordinance No. 2003-25 approving the plan of operation and governance for the City of St. Marys Natural Gas Aggregation Program; and,

WHEREAS, this Council now finds it to be in the public interest to authorize the Director of Public Service and Safety to file an Ohio Natural Gas Governmental Aggregators Renewal Application and related documents with the Public Utilities Commission of Ohio and to approve certain changes in the Plan of Operation and Governance for the City of St. Marys Natural Gas Aggregation Program.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL FOR THE CITY OF ST. MARYS, OHIO:

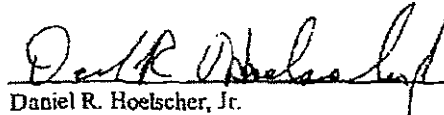

SECTION 1. That the Director of Public Service and Safety is hereby authorized to file an Ohio Natural Gas Governmental Aggregators Renewal Application and related documents with the Public Utilities Commission of Ohio.

SECTION 2. That this Council hereby approves the following changes in the Plan of Operation and Governance for the City of St. Marys Natural Gas Aggregation Program that was approved by Ordinance No. 2003-25.

1. Replacement of the expression "switching fee" with the expression "early termination fee" on pages 6, 7, and 8 as requested by the Public Utilities Commission of Ohio.
2. The addition of the CRNGS (Certified Retail Natural Gas Supplier) supplier name, phone number and hours of operation as follows: Interstate Gas Supply, 800-280-4474, hours of operation Monday-Friday, 8:00 a.m. - 4:00 p.m.

SECTION 3. That this is an emergency ordinance, the reason for the emergency being that the immediate acceptance of these changes is necessary to continue to facilitate competitive retail natural gas service for the citizens of St. Marys; all of which is necessary for the health, safety, and welfare of the citizens of St. Marys; therefore, this ordinance shall take effect and be in force immediately upon its passage.

Ordinance 2003-25

CITY OF ST.MARYS

PLAN OF
OPERATION AND
GOVERNANCE FOR
MUNICIPAL OPT-OUT
NATURAL GAS
AGGREGATION

ADOPTED BY CITY COUNCIL

(June 23, 2003)

FINAL PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

Overview

At the May 6, 2003 general election, local residents authorized the City of St. Marys (the City) to create a municipal opt-out natural gas aggregation program (the Aggregation Program) in compliance with Section 4929.26 of the Ohio Revised Code. Under the opt-out natural gas aggregation program, all eligible natural gas consumers within the City's corporation limits will be automatically included in the Aggregation Program initially. However, all consumers will also be given the opportunity to opt-out or decline participation in the Aggregation Program as detailed herein.

The City's purpose in creating the Aggregation Program is to represent local consumer interests in emerging competitive natural gas markets by aggregating natural gas loads within the City's corporation limits (including municipal facilities) and negotiating affordable, reliable natural gas supplies and other related services on behalf of local consumers. The City may pursue this purpose individually or in cooperation with other entities.

Many small commercial and residential natural gas consumers lack the leverage to effectively negotiate natural gas supply rates and services. A governmental aggregation program provides them with an option for professional representation and the bargaining power of a larger, more diverse consumer group that may be more attractive to suppliers, allowing them to effectively participate in the competitive process and achieve benefits.

1. Description of Services

The Aggregation Program is designed to reduce the amount a consumer pays for natural gas energy, and to gain other favorable economic and non-economic terms in service contracts. The City will not buy and resell natural gas, but will represent collective consumer interests to set terms and conditions for service. Through a negotiation process, the City will develop a contract with a Competitive Retail Natural Gas Services Provider (CRNGS Provider) or Providers for firm all-requirements natural gas service. Once the contract has been finalized, it will be submitted to the St. Marys City Council for approval.

The Aggregation Program covers the natural gas supply portion only of a participant's natural gas bill. Dominion East Ohio (DEO) will continue to deliver natural gas to Aggregation Program participants' homes and businesses through its natural gas distribution system as a monopoly function regulated by the Public Utilities Commission of Ohio (PUCO). DEO will also continue to install, operate and maintain its system of pipelines, Rights of Way, meters and other natural gas distribution components. Aggregation Program participants should continue to call DEO if their natural gas is

FINAL PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

interrupted or if they have billing questions. The PUCO will continue to oversee DEO natural gas safety and reliability service standards.

Oversight of the Aggregation Program will be the responsibility of the Director of Public Service & Safety, who shall report to Council. The Director of Public Service & Safety, subject to City Council approval, will have the authority to develop specifications for the Aggregation Program, to appoint an Aggregation Program Manager, and to select, hire and manage the CRNGS Provider. The CRNGS Provider and the Aggregation Program Manager will work under the direction of the Director of Public Service & Safety with the advice and counsel of the City Attorney.

Due to the complexity of the natural gas utility industry and the uncertainties of its associated restructuring activities, the City of St. Marys may contract with a consultant or consultants to provide the necessary expertise to represent the City's interest in legislative and regulatory matters and/or to serve as the Aggregation Program Manager. Such services may include, but are not limited to, facilitating consumer enrollment and opt-out, assisting with consumer education, addressing consumer questions and concerns, providing reports on program operation, enrollment and savings, negotiating future CRNGS Provider contracts, and representing the City in dealings with CRNGS Providers, DEO, the Ohio Legislature, the PUCO and the Ohio Consumer's Counsel (OCC).

The City deems any and all information related to an eligible customer to be confidential and proprietary trade secret information. The CRNGS Provider shall keep all eligible customer information provided to it by the City or DEO in supplying eligible customers within the City's corporation limit confidential and shall not disclose such information to any third party, unless such disclosure is required to serve any eligible customer, the third party agrees to keep such eligible customer information confidential, and the City consents to the disclosure of such information to the third party.

The City will require any CRNGS Provider to disclose any subcontractors that it uses in fulfillment of the services described herein.

The CRNGS Provider will provide a local or toll free telephone number for participant questions and concerns about enrollment, opt-out provisions, billing and other Aggregation Program issues.

The CRNGS Provider will develop internal controls and processes to help ensure that the City remains in good standing as a governmental aggregator that complies with all laws, rules and regulations regarding the same as they may be periodically amended.

Natural gas service reliability is an essential to Aggregation Program participants. The City will strive to provide high-quality service and reliability through provisions of the CRNGS Provider contract, through traditional proceedings related to DEO distribution

FINAL PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

services; and through direct discussions with DEO concerning specific or general problems related to quality and reliability of its distribution system.

If for any reason a CRNGS Provider fails to provide uninterrupted service, the City will attempt to acquire an alternative natural gas supply. If this attempt fails, participants will default to DEO established tariff rates. In no case will participants be without natural gas as the result of the CRNGS Provider's failure to provide uninterrupted service. The City will seek to minimize this risk by contracting only with reputable CRNGS Providers that demonstrate reliable service. The City also intends to include conditions in its CRNGS Provider contract that will indemnify participants against risks or problems with natural gas supply service and price.

All Aggregation Program participants shall enjoy the protections of law afforded to consumers as they currently exist or as they may be amended from time to time. These include rights to question billings or service quality or service practices. All program participants shall also enjoy the individual right to decline participation in the Aggregation Program subject to the terms and conditions contained herein.

All Aggregation Program participants will be treated equitably. They will be guaranteed the right to raise and resolve disputes with the CRNGS Provider, be provided all required notices and information; and always retain the right to opt-out of the Aggregation Program or switch suppliers subject to the terms and conditions contained herein.

All consumers within the City's corporation limits shall be eligible to participate in the Aggregation Program subject to the terms and conditions described herein, Ohio law, PUCO rules and regulation governing natural gas service, and DEO approved tariffs.

Service under the Aggregation Program shall include all eligible customer classes in adherence with universal service principles and requirements, and the traditional non-discriminatory practices of local government. CRNGS Provider contracts shall contain provisions to maintain these principles and equitable treatment of all customer classes.

Low-income consumers shall remain subject to all provisions of Ohio law and PUCO rules and regulations as they may be amended from time to time regarding their rights to return to DEO General Service and participation in the Aggregation Program.

The City developed this Plan of Operation and Governance in compliance with Ohio law regarding municipal opt-out aggregation of natural gas consumers, including two public hearings prior to its adoption.

The St. Marys City Council shall approve through resolution or ordinance the Aggregation Program's Plan of Operation and Governance in accordance with Ohio Revised Code Section 4929.26. Amendments to the Plan of Operation and Governance may be subject to St. Marys City Council approval and filing with the PUCO.

FINAL PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

After adoption of the Plan of Operation and Governance, the City will file with the PUCO for governmental aggregator certification and also register as a governmental aggregator with DEO.

Aggregation Program participants are subject to the same standards and responsibilities as other natural gas consumers, including payment of billings and access to metering and other equipment necessary to carry out utility operations.

The Aggregation Program may be discontinued upon the termination or expiration of the CRNGS Provider contract without any extension, renewal or subsequent contract being executed. In the event of Aggregation Program termination, each participant will receive notification at least 60 days prior to such program termination and could return to DEO General Service Rate or select another approved CRNGS Provider.

2. Determination of Rates

The City will not buy and resell natural gas to Aggregation Program participants. The City will aggregate natural gas loads within the City's corporation limits including municipal facilities. Through a competitive selection process, the City will develop and negotiate a contract with a CRNGS Provider or Providers for firm, all-requirements service. The contract will contain mutually agreeable price terms for affordable, reliable natural gas supplies and other related services. The City may pursue this purpose individually or in cooperation with other entities. Contracts will be monitored by the City on behalf of consumers.

CRNGS Providers will supply information on natural gas supply charges by DEO customer rate classification or other appropriate pricing category as approved by the City. All natural gas supply charges will be fully and prominently disclosed in consumer enrollment materials and will be subject to approval by the St. Marys City Council.

The City will contract only with a CRNGS Provider or Providers that meet, at a minimum, the following criteria:

1. Certified CRNGS Provider by the PUCO
2. Registered with DEO
3. Have a service agreement under DEO Gas Transportation Service Tariff
4. Successfully completed Electronic Data Interchange (EDI) computer system testing with DEO and that CRNGS Provider's EDI computer system is capable of effectively processing Aggregation Program EDI transactions in a timely manner
5. Meet standards of creditworthiness established by the City
6. Have a customer call center capable of effectively handling participants' questions, concerns and disputes in a timely manner using a toll-free telephone number
7. Hold the City harmless from any financial obligations arising from offering natural gas and/or energy-related services to Aggregation Program participants

FINAL PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

The CRNGS Provider's contract will run for a fixed term (i.e., one to five years) and contain all pricing, charges, early termination fees, etc. in clear and easily understood terms, and it will include a sales tax instead of a gross receipts tax.

The CRNGS Provider's rates will include an administrative fee, which shall (if implemented) be collected on behalf of the City to fund the implementation and administration of the City's Aggregation Program. The administrative fee will be adjusted annually to cover the City's cost of administering the program. The fee will be reviewed annually to ensure that the amounts collected do not exceed the cost of administering the aggregation program.

DEO assigns customer rate classifications, character of service and associated regulated rates subject to PUCO approved tariffs. In addition to the CRNGS Provider's gas service charges, consumers will continue to be billed for DEO service and delivery charges. Although the City may participate in regulatory proceedings and represent the interests of consumers regarding these regulated rates, it cannot assign or alter customer rate classifications.

3. Plan for Providing Opt-out Notice

Initially, each eligible consumer within the City's corporation limits will be automatically included in the Aggregation Program. However, prior to actual enrollment, each consumer will receive a notice from the City detailing the Aggregation Program's rates, terms and conditions.

Each consumer will then have a 21-day period to opt-out of or decline to participate in the Aggregation Program without charge. Consumers opting out of the program will remain on Dominion East Ohio's (DEO) established tariff rates until such time as they select an approved CRNGS Provider. A similar opt-out period will be offered every two years during which time consumers can leave the Aggregation Program without paying an early termination fee.

4. Process for Determining the Pool of Customers

After contract approval by the St. Marys City Council, the CRNGS Provider will work with the City and DEO to identify all eligible consumers within the City's corporation limits.

All eligible consumers will be notified of the rates, charges and other terms and conditions of participation in the Aggregation Program and that they will be automatically enrolled in the Aggregation Program unless they "opt out" or decline participation in the program. Consumers will be given a 21-day period in which to notify the City that they wish to opt out or decline participation in the Aggregation Program.

FINAL PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

After the initial 21-day opt-out period has elapsed, all eligible consumers who have not notified the City of their desire to opt out of the Aggregation Program will be enrolled by the CRNGS Provider at the earliest date practicable.

Consumers enrolled in the Aggregation Program by the CRNGS Provider will receive a letter from DEO notifying them of their enrollment. Consumers will have seven calendar days to notify DEO of any objection to their enrollment in the Aggregation Program. DEO will notify the CRNGS Provider of consumer objections or any reason that a consumer was not enrolled in the Aggregation Program.

Customers who meet the following criteria will become Members of the aggregation program:

- Are not currently buying gas from another supplier;
- Are up to date with their bill payments;
- Have not opted out of the program;
- Currently have service with DEO;
- Are classified as non-mercantile;
- Have not exercised their right of rescission, or;
- Are not on the Percentage of Income Payment Plan (PIPP).

New members may opt into the Program upon contract expiration with an alternate supplier. These members will need to contact the CRNGS Provider for enrollment information. The CRNG Provider has a right of refusal in accordance with criteria described in this plan.

The CRNGS Provider will build and maintain a database of all Aggregation Program participants. The database will include the name, address and DEO account number and may include other pertinent information as agreed upon by the City and the CRNGS Provider. Such information may include the CRNGS Provider's account number (if different from DEO account number), rate code, rider code (if applicable), most recent 12 months of natural gas consumption, and meter reading cycle. The Aggregation Program database will be updated at least quarterly. The City will have the right to access information in the database for purposes of auditing.

The CRNGS Provider will report to the City the status of Aggregation Program enrollment on at least a monthly basis.

Participants who wish to leave the Aggregation Program may do so:

- During the initial 21-day opt-out period;
- During the seven day rescission period;
- During subsequent opt-out period offered by the City at least every two years;
- At any other time; however an early termination fee may be assessed.

FINAL PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

In addition to the initial 21-day opt-out period described above, each participant will be given an opportunity to opt out of the Aggregation Program every two years without paying an early termination fee. Consumers who choose to opt out of the Aggregation Program at any time other than during the initial 21-day opt-out period or during subsequent opt-out periods offered by the City may be subject to an early termination fee.

Any consumer who opts out of the Aggregation Program will be returned to DEO established tariff rates until such time as the consumer selects another approved CRNGS Provider.

5. Customer Billing Procedures

The City plans to utilize DEO consolidated billing service in which each consumer account receives one bill itemizing the CRNGS Provider's natural gas supply charges and DEO delivery, transition and other PUCO-approved charges. The billing statement will be consistent with applicable PUCO rules and regulations. The City will consider other billing options, including CRNGS Provider consolidated billing, if and when they become available and if it appears advantageous to do so.

6. Credit and Deposit Policies

Collection, credit and deposit procedures remain the responsibility of the Local Gas Utility, the selected supplier and the individual member. Members are required to remit and comply with the payment terms of the local utility. This program will not be responsible for late or no payment on the part of any of its members. The Municipality will have no separate credit or deposit policy. The selected supplier shall not charge more than 1 ½ percent per month for overdue balances owed to the selected supplier.

8. 7. Governmental Aggregator's Customer Service Procedures and Dispute Resolution

The Aggregation Program only impacts the source of natural gas supply. DEO will continue to deliver the natural gas purchased through the Aggregation Program to participants' homes and businesses through its natural gas distribution system. Participants with question or concerns regarding service delivery or safety, such as a natural gas outage or odor of gas should continue to contact DEO at 877 542-2630. Meter reading or other billing questions should also be directed to DEO at 800 362-7557. Questions regarding Aggregation Program enrollment or opting out should be directed to the CRNGS Provider. General questions and concerns should be directed to the Director of Public Service & Safety, City of St. Marys. Disputes unresolved by the aforementioned parties, should be directed to either the Ohio Consumer's Counsel or the Public Utilities Commission of Ohio. The following table gives toll-free telephone numbers for use by consumers.

FINAL PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS
AGGREGATION

Question or Concern	contact	Telephone Number
Natural gas outage or interruption	DEO	877-542-2630
Turn natural gas on or off	DEO	800-362-7557
Meter reading/billing	DEO	800-362-7557
To enroll in or opt-out of the Aggregation Program	CRNS Provider – Interstate Gas Supply Hours: Mon – Fri: 8:00 AM – 5:00 PM	800 280-4474
Aggregation Program Questions or concerns	Director of Public Service & Safety	419-394-3303
Unresolved disputes (residential customers)	Ohio Consumer's Counsel	877-742-5622 occ@occ.state.oh.us
Unresolved disputes (all customers)	Public Utilities Commission of Ohio	(800)-686-7826 (voice) (800)-686-1570 (TDD)

8. Members Moving Into/Within the Aggregation (New Account Number)

Consumers who move into the City after the initial opt-out period will be not be automatically included in the Program, but will be afforded an opportunity to enroll. However, the City cannot guarantee that the rates, terms and conditions to consumers enrolling in the Aggregation Program after the initial 21-day opt-out period will match those of the initial enrollees.

The same rule will apply to participants who move within the City after the initial opt-out period, if they are given a new account number by DEO. That is, they will not be automatically included in the Program, but will be given an opportunity to re-enroll under a new set of rates, terms and conditions.

9. Members Moving Within the Aggregation (Same Account Number)

Participants who relocate within the City limits and retain the same DEO account number, will be allowed to continue in the Aggregation Program at their new location under the same terms and conditions as at their former location, subject to any switching fees imposed by DEO.

FINAL PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

10. Joining the Program at a Later Date (Opting-In)

Residents of the City who initially choose to opt-out of the Program, for whatever reason, and wish to enroll at a later date, will be treated the same as a new resident. That is, they will not automatically become part of the existing program, but will be given an opportunity to enroll. However, the City cannot guarantee that rates, terms and conditions to consumers enrolling in the Aggregation Program after the initial 21-day opt-out period will match those of the initial enrollees.

DEFINITIONS

Aggregation

Combining the natural gas loads of multiple customers for the purposes of supplying or arranging for the supply of competitive retail natural gas service to those customers.

Aggregation Program Manager

The person or entity designated by the City to oversee the operation and management of the City of St. Marys Municipal Natural gas Aggregation Program.

Competitive Retail Natural Gas Service (CRNGS)

A component of retail natural gas service deemed competitive under the Ohio Revised Code or pursuant to an order of the PUCO. This includes but is not limited to the services provided by competitive retail natural gas service providers, natural gas marketers, aggregators and governmental aggregators.

Competitive Retail Natural Gas Service Provider (CRNGS Provider)

A person or entity certified by the PUCO and registered with DEO who supplies or offers to supply a competitive retail natural gas service over the DEO natural gas distribution system. This term does not apply to DEO in its provision of standard offer natural gas service.

FINAL PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

Consumer

Any person or entity that is an end user of natural gas and is connected to any part of DEO natural gas distribution system within the City of St. Marys corporation limits.

Delivery Charge

Charge imposed by DEO for delivering natural gas to a consumer's home or business. The charge includes meter reading, billing, transition costs, maintaining natural gas system reliability and responding during emergencies and outages (also called the distribution charge).

Distribution

Delivery of natural gas to a home or business through DEO owned pipelines, meters and other equipment. DEO distribution system operations will remain regulated by the PUCO.

Governmental Aggregator

An incorporated village or city, township or county acting as an aggregator for the provision of a CRNGS under authority conferred under Section 4929.26 of the Ohio Revised Code.

Mercantile Customer

A customer that consumes, other than for residential use, more than five hundred thousand cubic feet of natural gas per year at a single location within the state; or a customer that has three or more locations within the state that consume natural gas, other than for residential use.

Natural Gas Related Service

Service directly related to the consumption of natural gas at a consumer's home or business. This may include, but is not limited to, the installation of metering, remote reading indices, regulation; the maintenance, repair or replacement of appliances and other energy-consuming devices at a consumer's premises, and the provision of energy consumption measurement and billing services.

FINAL PLAN OF OPERATION AND GOVERNANCE FOR MUNICIPAL GAS AGGREGATION

Natural gas Supply Charge

All charges related to the acquisition of natural gas by the CRNGS Provider, and its delivery to the City's distribution system.

Ohio Consumers' Counsel (OCC)

The Ohio Consumers' Counsel (OCC), established by the Ohio Legislature in 1976, represents the interests of Ohio's four million residential utility customers served by investor-owned utilities in proceedings before the PUCO, other regulatory agencies and in the courts. The OCC also educates consumers about utility issues and resolves complaints individuals have with investor-owned utility companies.

Participant

A consumer enrolled in the City of St. Marys Municipal Natural gas Aggregation Program.

Public Utilities Commission of Ohio (PUCO)

The state agency charged with assuring all consumers (residential commercial and industrial) served by investor-owned utilities have access to adequate, safe, and reliable utility services at fair prices. The PUCO regulates a wide variety of investor-owned utilities, including natural gas, electricity, pipeline, heating/cooling, local telephone, long distance telephone, waterworks, wastewater, railroad, household goods carriers, water transportation, hazardous materials carriers, and commercial transportation carriers.

City of St. Marys

City of
ST. MARYS, OHIO

VolunteerEnergy

March 7, 2019

Dear City of St. Marys Resident,

Volunteer Energy Services, Inc. (VESI) in cooperation with the City of St. Marys (the "City") is providing you with the opportunity to join or remain with other residents and small commercial customers in the City's natural gas Government Aggregation Program. **If you have received this letter and are outside the boundaries of the City of St. Marys, please let us know by calling 800-977-8374.** Government Aggregation programs allow City officials to bring together citizens to gain group-buying power for the purchase of natural gas from a retail supplier licensed by the Public Utilities Commission of Ohio. **City of St. Marys voters approved this program in 2003.**

During the past few months, we have researched options for competitive natural gas pricing for you. We have chosen VESI, an Ohio based corporation to provide you with natural gas for the term **April 1, 2019 through March 31, 2021.**

You will be automatically enrolled in the City's Natural Gas Government Aggregation Program unless you choose to "opt out" – that is, affirmatively choose not to participate. If you wish to be excluded from the City's natural gas aggregation program, you must return the enclosed "Opt-Out" form by **March 28, 2019.** Otherwise, you will be included in the aggregation program. If you do not opt out at this time, you will receive a notice at least once every two years asking if you wish to remain in the program. However, you do not need to do anything to participate. There is no cost for enrollment and you will not be charged a switching fee.

Price: Volunteer Energy is pleased to offer natural gas for your home or business at a fixed rate of \$3.95 per Mcf at the burner tip. This rate will be effective April 2019 (May billing) through March 2021 (April billing). **If you are ever unhappy with your rate, you may leave the program free of charge at any time. Please refer to the attached Terms and Conditions for full details of this offer.**

After you become a participant in the City's natural gas aggregation program, Dominion East Ohio (DEO) will send a letter confirming your selection of VESI as your natural gas provider. As required by law, this letter will inform you of your option to cancel your enrollment with VESI within seven (7) business days of its postmark date. To remain in the City's government aggregation program, you don't need to take any action when this letter arrives. You will be automatically enrolled.

DEO will always be responsible for ensuring the distribution of natural gas to your premises and will continue to maintain your meter, the monthly reads and the pipelines that deliver natural gas to your home. Your natural gas bill will also continue to come from DEO. The only change you'll notice is the name of your new gas supplier, Volunteer Energy Services, Inc., included on your bill.

If you have any questions, please call VESI toll-free at 1-800-977-8374, Monday through Friday, 9:00 a.m. to 4:00 p.m.

Sincerely,

City of St. Marys

and

Volunteer Energy Services, Inc.

VOLUNTEER ENERGY SERVICES, INC. TERMS AND CONDITIONS OF SERVICE

These **ENERGY SUPPLY TERMS AND CONDITIONS** have important information you need to know before you commit to natural gas service from Volunteer Energy Services, Inc. (VESI). VESI is an Ohio corporation whose customers include a variety of Ohio natural gas end users. As a natural gas supply customer of VESI, you agree to the Terms and Conditions of VESI's natural gas supply contract.

Service Arrangement: VESI's energy supply will be delivered to your residence or facility via the Dominion East Ohio (DEO) pipeline on a cost per Mcf basis through **March 2021**. Upon acceptance by the utility company the cost will be a fixed rate of \$3.95 per Mcf.

Term: The term of this Agreement shall commence when accepted by VESI and shall continue **April 2019 through March 2021** unless otherwise cancelled by either party. Natural gas service will begin within 60 days of acceptance by DEO. You may terminate this Agreement with VESI by providing a 30-day notice in writing or by telephone to VESI. DEO will continue to deliver VESI-supplied natural gas to your home at the agreed upon rate.

Office Locations and Hours: VESI's offices are located at 790 Windmill Drive, Pickerington, Ohio 43147 and are open from 8:30 A.M. to 4:00 P.M. E.S.T., Monday through Friday. VESI can be reached by telephone at (614) 856-3128 or toll free at 800-977-8374. Telephone service hours are from 9:00 A.M. to 4:00 P.M. E.S.T., Monday through Friday. E-mail address is sraffeld@volunteenergy.com.

Bill Payment Process: DEO will continue to bill you monthly for natural gas delivery services and also for VESI's natural gas service. Should you fail to pay the bill or fail to meet any agreed upon payment arrangement, DEO may terminate your service in accordance with its company tariffs, and this agreement with VESI may be automatically terminated.

Complaint Dispute Resolution: If you have any complaints regarding your natural gas service or your monthly bill, please contact us at 1-800-977-8374. Upon request, VESI will provide you up to 24 months of your payment history without charge. If your complaint is not resolved after you have called VESI, or for general utility information, residential and business customers may contact the Public Utilities Commission of Ohio (PUCO) for assistance at 1-800-686-7826 (toll free) from eight a.m. to five p.m. weekdays, or at <http://www.puco.ohio.gov>. Hearing or speech impaired customers may contact the PUCO via 7-1-1 (Ohio relay service). Additionally, the Ohio consumers' council (OCC) represents residential utility customers in matters before the PUCO. The OCC can

be contacted at 1-877-742-5622 (toll free) from eight a.m. to five p.m. weekdays, or at <http://www.pickocc.org>.

Emergency Service Problems: If you become aware of a gas emergency condition, or experience an unanticipated loss of gas service, you should contact DEO at the telephone number listed on your gas bill.

Termination/Rescission of Agreement: You may terminate / rescind your natural gas supply enrollment with VESI within seven (7) days of the post mark date of the confirmation letter from DEO. After the initial seven (7) day period, either you or VESI may terminate the contract at any time by providing the non-terminating party thirty (30) days written notice of such termination, without penalty. You will remain responsible for all natural gas consumed by you prior to the actual termination of service. If your supply contract with VESI is terminated, your natural gas supply will automatically be provided by DEO under its standard tariff unless or until you choose another supplier. If you voluntarily terminate participation in the City's natural gas governmental aggregation program, you may be charged a price other than DEO regulated sales service rate. **There will be no early termination fees associated with the City of St. Marys' program.** Service will automatically terminate upon the occurrence of any of the following: (1) the requested service location is not served by DEO; (2) you move outside DEO's service area or to an area not served by VESI; or (3) VESI terminates your supply agreement and returns you as a customer to DEO. You have the right to terminate natural gas service with VESI, without penalty, for any reason at any time.

Program Compliance: DEO's deregulation program is subject to the ongoing jurisdiction of the PUCO. If the PUCO cancels the program, this contract is rendered void with no penalty to either party. The laws of the State of Ohio will govern the terms of natural gas supply.

VESI's rate excludes DEO charges and taxes. Natural gas service is subject to enrollment processing timelines as determined by DEO and VESI's aforementioned Terms and Conditions of Service. To be eligible to participate in the City of St. Marys' natural gas aggregation program, you must: (1) have a residence or business located in the City of St. Marys; (2) be eligible to receive natural gas from DEO; (3) meet Ohio non-mercantile requirements; (4) be current with your natural gas payments or payment arrangements; (5) not be enrolled in the PIPP program; and (6) currently not taking natural gas supply service from another natural gas marketer.

If you believe you received this letter in error or are not located in the City of St. Marys, please contact VESI to remove your account from our aggregation list.

P.S. Remember to return the below Opt-Out form only if you do not want to participate in the City of St. Marys' Natural Gas Government Aggregation Program.

OPT-OUT FORM FOR THE CITY OF ST. MARYS GOVERNMENTAL AGGREGATION PROGRAM

☐ I wish to opt out of my community's natural gas program. (Check box to opt out.)

Exhibit B-5

Experience

City of St. Marys

The City of St. Marys has experience in negotiating, contracting and providing for common services for residents of the City. Some examples of experience as a service provider are:

- Electric Power purchase, generation and distribution
- Municipal Opt-in Gas Aggregation
- Water and Sewer Service
- Police and Fire Service
- Parks and Recreation

The Mayor, City Council and City Staff routinely negotiate for services and supplies that benefit the residents of St. Marys.

However, due to the complexity of municipal opt-out aggregation, the City has chosen to retain the services of a consultant to assist them in designing, implementing and maintaining their gas aggregation program.

Contractual Arrangements for Capability Standards

The City of St. Marys states that a valid contract exists with:

AMPO, Inc., A Subsidiary of AMP-Ohio
2600 Airport Drive
Columbus, Ohio 43219

for the purpose of providing consulting services on municipal opt-out gas aggregation.

Detailed summary of the services being provided:

- Provide and assist with developing model ordinances to create opt-in or opt-out natural gas aggregation programs.
- Coordinate and work with municipal local officials and staff to develop a procurement strategy for reliable and competitive natural gas supplies and related services for the natural gas aggregation program.
- Assist with the preparation of a Plan of Operation and Governance for the natural gas aggregation program.
- Coordinate and assist with the preparation and filing of the required aggregation certification documents with the Public Utilities Commission of Ohio ("PUCO").
- Assist with performing the PUCO requirements for governmental aggregation programs.
- Provide consulting services and administer the process of negotiating with certified natural gas suppliers, developing and soliciting requests for quotations ("RFQ") or requests for proposals ("RFP").
- Evaluate and manage the ongoing negotiations and/or RFQ or RFP.

- Analyze the negotiations and/or RFQ or RFP's from certified retail natural gas suppliers and make recommendations to local officials and staff.
- Assist with developing and negotiating the contract with the certified retail natural gas supplier to serve the aggregation program.
- Assist the municipality in executing and administering agreements with the selected certified retail natural gas supplier.
- Coordinate the PUCO customer notifications and other requirements for enrolling residents in the municipal natural gas aggregation program.
- Work with and assist the municipality, the certified retail natural gas supplier, and the natural gas local distribution company to facilitate the enrollment of customers in the municipal natural gas aggregation program at the earliest date practicable.
- Work with the certified retail natural gas supplier to coordinate and communicate with the municipality regarding enrollments in the municipal natural gas aggregation program, cost savings to participants, and other related matters.
- Assist the municipality in developing effective consumer education materials to explain the aggregation program and make community presentations as needed.
- Assist with monitoring proceedings of applicable legislative and regulatory bodies and provide analysis and updates on changes that may impact the municipal natural gas aggregation program, its participants, or the municipality.
- Represent the municipality at meetings with the certified retail natural gas supplier and the local distribution company concerning the municipal natural gas aggregation program rates, terms and conditions of service, customer concerns, etc.
- Assist and work with the municipality to prepare and file annual reports required by the PUCO and Section 4905.10(A) and Section 4911.18(A), Ohio Revised Code.
- Coordinate with municipal legal counsels to facilitate legal reviews and/or opinions that may be needed in connection with the aggregation program. Please note that the performance of any legal work, including but not limited to the legal reviews and/or opinions, are beyond the scope of AMPO's services.
- As the initial term of the certified retail natural gas supplier contract agreement nears its end, repeat Phase I activities to secure ongoing competitive natural gas supplies and related services for the municipal natural gas aggregation program.

Documentation of Contracting Party's Experience in Energy Aggregation:

AMP-Ohio

Founded in 1971, Columbus based American Municipal Power-Ohio (AMP-Ohio) was organized as a nonprofit corporation for the purpose of owning and operating electric facilities or otherwise providing for the generation, transmission and/or distribution of electric power and energy to its member communities. Members include 80 of Ohio's 86 municipally owned electric systems, two West Virginia public power communities and three in Pennsylvania, ranging in size from 116 customers to more than 80,000

customers. Collectively, AMP-Ohio member communities serve approximately 364,000 customers.

AMP-Ohio coordinates, negotiates and develops power supply options and interchange agreements on behalf of its members. AMP-Ohio also owns and operates the Richard H. Gorsuch Generating Station, a 213-megawatt coal-fired facility located in Marietta, Ohio, that provides power to 48 participating communities, and has undertaken an ambitious program of siting distributed generation in member communities throughout Ohio. In addition, AMP-Ohio serves as an independent project manager for Ohio members participating in joint ventures to share ownership of power generation and transmission facilities, including the OMEGA JV5 project, a 42 MW run-of-the-river hydroelectric power station completed on the Ohio River in 1999.

AMP-Ohio also operates a sophisticated 24-hour energy control center that monitors electric loads and transmission availability, dispatches, buys and sells power and energy and controls AMP-Ohio and member-owned generation. A competent in-house engineering, operations, safety, power supply, key accounts, economic development, rate and environmental staff is available at AMP-Ohio's headquarters to assist member communities in addition to performing AMP-Ohio duties and providing support to the joint ventures.

AMP-Ohio's knowledgeable, experienced staff understands the unique challenges faced by local government staff and elected officials. AMP-Ohio is governed by a 16-member Board of Trustees, all of who are local government representatives, and a number of AMP-Ohio staff members—including its president—once worked for local governments.

AMPO, Inc.

Formed in 1998, AMPO, Inc. is a wholly owned, taxable subsidiary of AMP-Ohio whose purpose is to provide direction and service to local governments and other energy consumers in evolving energy markets. This includes the development and implementation of local electric and natural gas aggregation programs, review and negotiation of energy contracts, and the evaluation and implementation of energy supply alternatives for local business, industry and government. AMPO, Inc. has been an approved supplier in the Columbia Gas of Ohio CHOICESM and Dominion East Ohio Energy Choice programs and currently works with over 40 Ohio communities to offer natural gas and/or electric aggregation programs to residential and small commercial customers.
