TO WHOM IT MAY CONCERN:

On June 18th 2019, I had a scheduled hearing, in Columbus, OH on the 11th floor, which I was unable to attend. The reason behind my absence is due to a load delivery, that was supposed be scheduled for June 17th. Meanwhile, there was a misunderstanding with the delivery date, which they set for June 19th. In my attempt to straighten out the delivery confusions, I completely forgot to contact public utilities by phone to reschedule the hearing; because the scheduling office could not guarantee, that the load would be unloaded before the mentioned date above. As a result, I am writing this as a request for a reschedule date of August or later in order to attend this hearing.

Thank you for your time,

David Elmidort
