Subject: PLEASE do not ruin people's lives with these massive wind turbines.
Date: Sunday, June 30, 2019 1:38:19 PM

...my grandson has been unable to sell his home and move closer to his job, due to people hearing that wind turbines might be coming to his area. This means a young man and wife in their 20's will basically be stuck in their house forever- unable to sell it and pursue their right to happiness...this is so wrong-someone must be making huge money on these at the expense of the little guys- this is all so wrong- PLEASE stop these turbines now....thank you.
