

**BEFORE
THE PUBLIC UTILITIES COMMISSION OF OHIO**

In the Matter of the Application for Certification	:	
As an Ohio Renewable Energy Resource Generating	:	Case No. 19-0745-EL-REN
Facility for Roland, John Residence	:	

**REVIEW AND RECOMMENDATION
SUBMITTED ON BEHALF OF THE STAFF OF
THE PUBLIC UTILITIES COMMISSION OF OHIO**

On March 29, 2019, John Roland filed an application for certification of a generation facility as an eligible renewable energy resource generating facility. On May 24, 2019, the application was suspended, pursuant to Ohio Adm.Code 4901:1-40-04(F), to allow additional time for the Applicant to provide a response to the Commission Staff data request. The Applicant filed additional information on July 10, 2019, in response to the Commission Staff data request.

Staff has completed its review of the application and any supplemental information filed by the Applicant. Staff has determined that the proposed facility appears to satisfy the Commission's requirements for certification of the facility as a renewable energy facility. As such, Staff recommends that the Commission grant certification of this facility.

This foregoing document was electronically filed with the Public Utilities

Commission of Ohio Docketing Information System on
