**MEMORANDUM OF TELEPORT COMMUNICATIONS AMERICA, LLC
IN SUPPORT OF ITS MOTION FOR AN EXTENSION OF
THE DEADLINE FOR PLACING NEW NUMBERS INTO SERVICE**

Teleport Communications of America, LLC (“TCAL”) qualified to receive additional numbering resources in the Ravenna, Ohio rate center. The North American Numbering Plan Administrator, Somos, duly granted to TCAL a 1,000 block of numbers (234-973-7) with a LERG effective date of January 14, 2019. Subsequently, University Hospital Health Systems purchased services from TCAL requiring the use of 500 telephone numbers. These numbers were assigned from the 1,000 block referenced above (234-973-7). Pursuant to FCC regulations, the Part 4 was due July 14, 2019. Unfortunately, the TCAL code administrator did not send the Part 4 by July 14.

It appears that the customer has encountered a temporary issue with equipment delivery and, as a result, service has not yet been activated for the customer at this location. TCAL requests an extension of the Part 4 date, from July 14, 2019 until October 1, 2019, to provide adequate time to activate service for the customer.
