**RE: Case No. 19-0043-EL-BLN  
Gristmill-Gemini 138 kV Transmission Line Project  
Notice of Adjustments**

Dear Sir or Madam:

After consulting with OPSB Staff, AEP Ohio Transmission Company, Inc. (“AEP Ohio Transco”) provides the following notice of adjustments to the station fence line of the Gristmill Station.

Based upon detailed engineering, AEP Ohio Transco has reconfigured and reduced the Gristmill Station footprint, resulting in the station’s southern fence line shifting approximately 12 feet south of the original OPSB-approved fence line. The fence line shift does not affect any new property owners or impact any wetlands or streams.

Please let me know if you have any questions or need additional information.

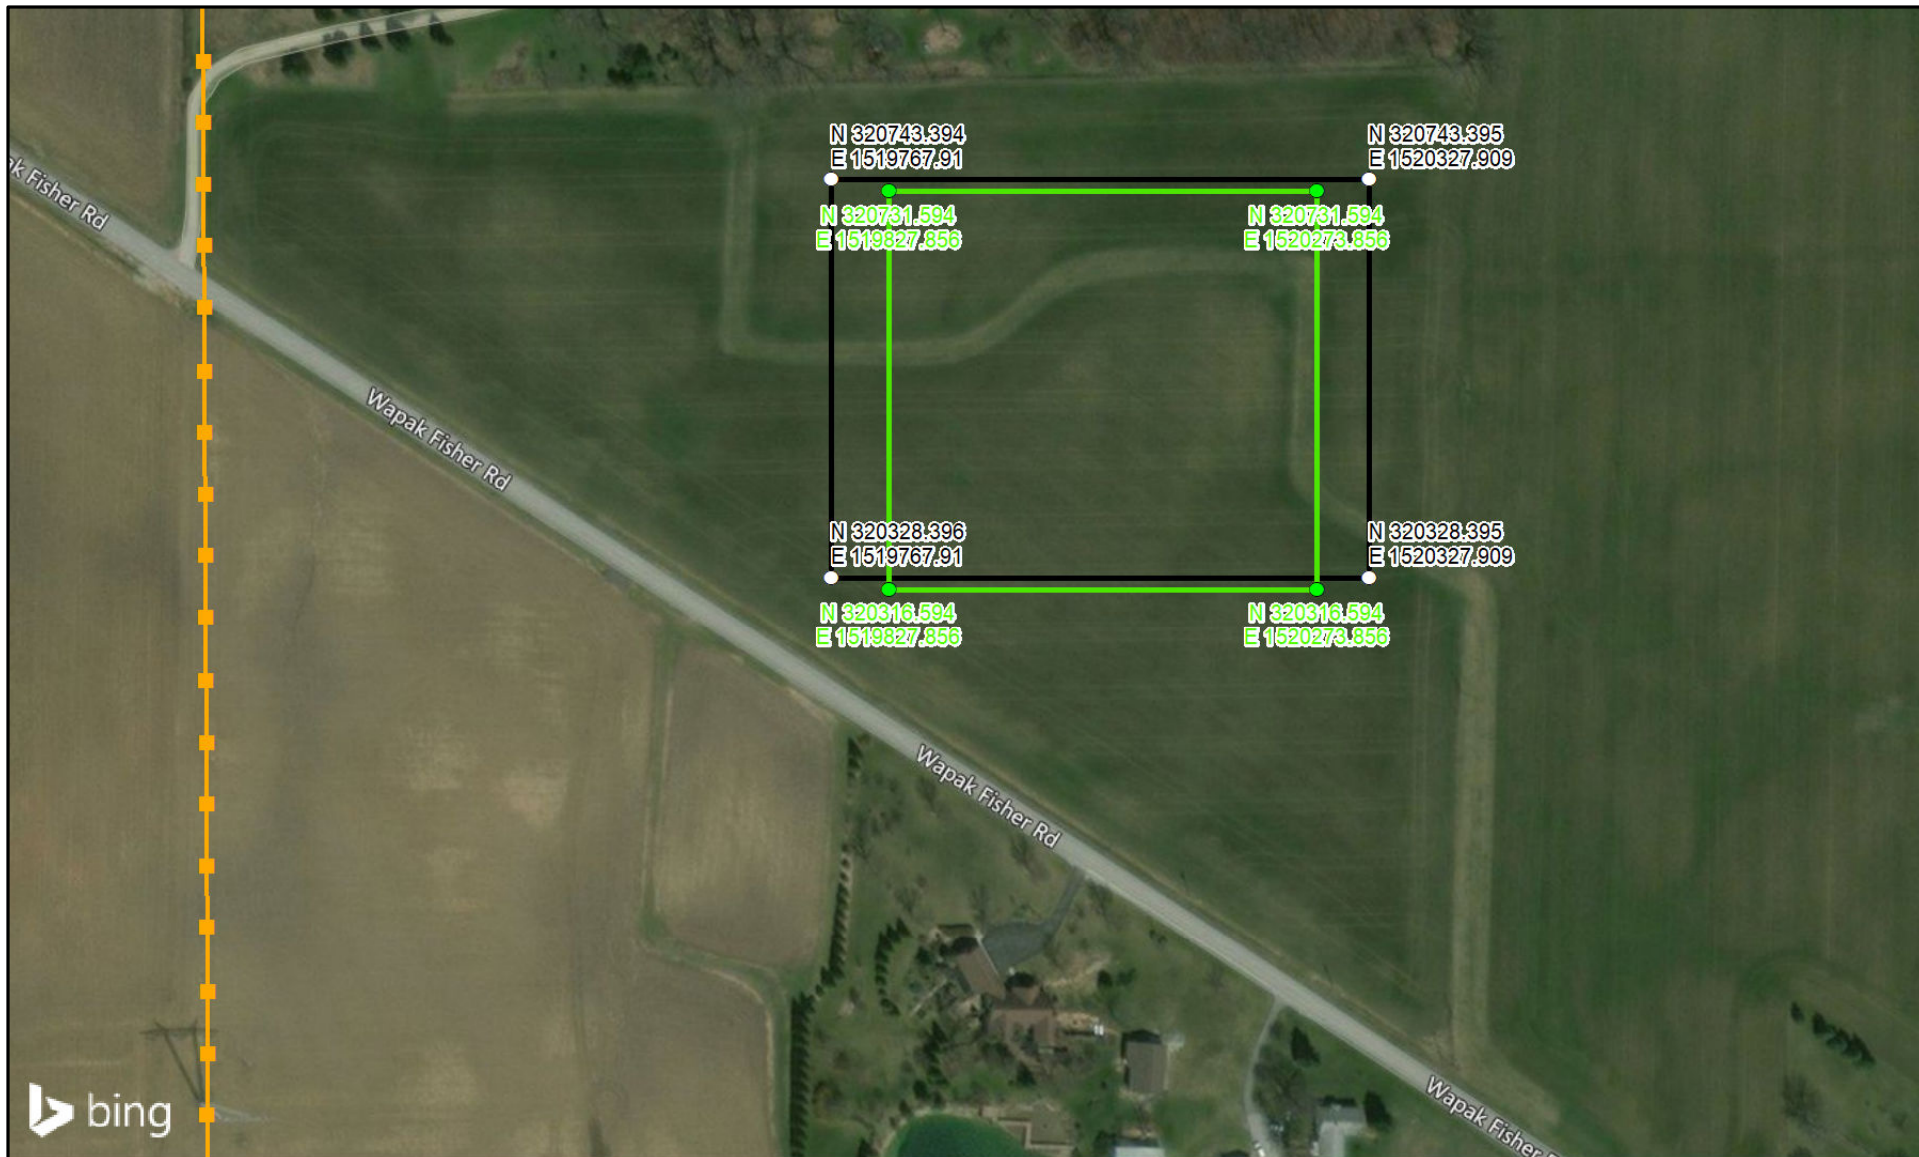

Respectfully submitted,

/s/ Christen M. Blend
