**Re: Case No. 16-1871-EL-BGN, In the Matter of the Application of Icebreaker Windpower Inc. for a Certificate to Construct a Wind-Powered Electric Generation Facility in Cuyahoga County, Ohio.
Additional Application Fee Paid**

Dear Ms. Troupe:

On February 1, 2017, as supplemented on March 13, July 20, July 24, and August 18, 2017, March 22, 2018, and May 14, 2019, Icebreaker Windpower, Inc. ("Icebreaker") filed an application with the Ohio Power Siting Board ("Board") for a certificate of public convenience and necessity ("Application") to construct a 6-turbine demonstration wind-powered electric generation facility in Lake Erie, off the shore of Cleveland, in Cuyahoga County, Ohio ("Project"). On August 1, 2017, Icebreaker paid the initial Application fee of \$50,000.

On August 12, 2019, the Board invoiced Icebreaker an addition Application fee of \$150,000 for current and future Board expenses. On September 3, 2019, the Board's Staff filed a letter indicating there were not sufficient funds for the Board to continue its review of the Application. On September 3, 2019, the Board suspended the procedural schedule in this case until Icebreaker files notice in the docket indicating that it has paid the additional Application fee.

At this time, Icebreaker provides notice that payment of the additional Application fee was delivered to the Fiscal Division of the Board.

Icebreaker respectfully requests that the procedural schedule in this matter be reinstated as soon as possible. Icebreaker looks forward to this case moving forward expeditiously and to a swift resolution of the case, so that the many benefits brought to Ohio by virtue of this Project can be realized.

Respectfully submitted,

/s/ Christine M.T. Pirik
