**RE: In the Matter of the Construction Notice Application of The Dayton Power and Light Company for a Certificate of Environmental Compatibility and Public Need for the Bath Substation Expansion Project
PUCO Case No. 19-1345-EL-BNR
Proof of Compliance with Ohio Administrative Code 4906-6-07**

Dear Chairman Randazzo,

Pursuant to Ohio Administrative Code 4906-6-07(B), The Dayton Power and Light Company ("DP&L") hereby files this proof of compliance with the notice requirements set forth in Rule 4906-6-07 of the Ohio Administrative Code for the above-referenced project application:

1. In accordance with OAC 4906-6-07(A)(1), DP&L served a copy of the construction notice to each required chief executive officer or public agency head on September 10, 2019.
2. In accordance with OAC 4906-6-07(A)(2), DP&L served a copy of the construction notice to the main public libraries on September 10, 2019.
3. In accordance with OAC 4906-6-07(A)(3), DP&L maintains on its website, information explaining how to request an electronic or hard copy of the construction notice.

Respectfully submitted,

ss: *Randall V. Griffin*

Re: **Bath Substation Expansion Project**
Service of Application on Local Public Officials
PUCO Case Number 19-1345-EL-BNR

Dear Commissioner Glaser:

The Dayton Power and Light Company (DP&L) is proposing the Bath Substation Expansion Project (Project) located in Beavercreek Township, Greene County, Ohio. The purpose of this Project is to install a second 345/138 kilovolt (kV) transformer at Bath Substation. This Project will help provide sufficient operating capacity, operational flexibility, and reliability to the Dayton metropolitan area where some of the Dayton area's largest customers and employers are located.

In accordance with Ohio Administrative Code (OAC) Rule 4906-6-05, this Project falls within the Ohio Power Siting Board (OPSB) requirements for a Construction Notice (CN) application. In compliance with OAC Chapter 4906-6-05, we have prepared and filed the attached CN application with the OPSB for their review and approval. The application includes a project description and other pertinent information.

Copies of the application have been distributed to local government officials and local public libraries.

For additional details about the OPSB and this project, please refer to the OPSB website at <https://www.opsb.ohio.gov/>. To view an electronic version of the application, search Case Number 19-1345-BNR. Please contact Scott Teeters at 937-331-4545 or by email at dpltransmissionmaintenancengroup@aes.com if you have any questions about the project.

Sincerely,

A handwritten signature in black ink, appearing to read "Kathryn N. Storm".
