In the Matter of the Application of)	
Columbus Southern Power Company and)	Case No. 05-376-EL-UNC
Ohio Power Company for Authority to)	
Recover Costs Associated with the)	
Ultimate Construction and Operation of)	
an Integrated Gasification Combined)	
Cycle Electric Generating Facility)	

**GENERAL ELECTRIC COMPANY, GE ENERGY (USA), LLC, BECHTEL
CORPORATION, AND BECHTEL POWER CORPORATION’S
MOTION TO EXTEND PROTECTIVE ORDERS
BY THIRTY DAYS TO COMPLETE INTERNAL REVIEW**

Comes now General Electric Company, GE Energy (USA), LLC, Bechtel Corporation, and Bechtel Power Corporation (together “GE/Bechtel”), and request the Public Utilities Commission of Ohio (“PUCO” or “Commission”) enter a protective order keeping confidential:

(1) GE/Bechtel’s financial and technical information relative to its association with AEP-Ohio for the construction of an Integrated Gasification Combined Cycle (“IGCC”) facility that was redacted from the exhibits and transcript excerpts GE/Bechtel filed on September 1, 2005; and

(2) Exhibit KMM-2 to the testimony of Industrial Energy Users – Ohio witness Kevin M.

Murray, filed on November 6, 2014. GE/Bechtel respectfully requests that the Commission enter an order protecting these items (the “Protected Information”) for a brief period of thirty (30) days beginning on October 10, 2019, and expiring on November 9, 2019, to enable them to complete their internal review of whether the Protected Information continues to retain substantial economic value to GE/Bechtel by being kept confidential.

Due to internal personnel changes, it has taken longer than in prior years to complete the internal review process, which the companies did begin some time ago. In addition, GE recently

sold its Gasification business to Air Products and Chemicals, Inc. (“Air Products”). Air Products must also complete an internal review to determine whether the Protected Information retains substantial economic value to it by being kept confidential.

For the foregoing reasons, GE/Bechtel respectfully request that the Commission grant a brief extension of thirty (30) days of the Protective Order to enable them to complete their internal review of this matter. If GE/Bechtel determine after completing their internal review that the Protected Information continues to retain substantial economic value to GE/Bechtel by being kept confidential, they will move for another extension of three (3) years on or before November 9, 2019

Respectfully Submitted,

/s/ Michael D. Dortch
