MEMORANDUM IN SUPPORT

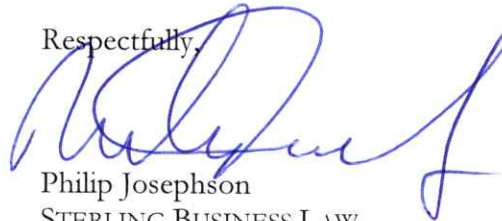

The Company is authorized to provide telecommunications services in the State of Ohio pursuant to Certificate No.: 90-9032.

Pursuant to the Commission's entry in this Docket, the Company filed its 2018 Annual Report on May 17, 2019. In a review completed by the Commission, it was determined that the Company erred in reporting its gross intrastate revenue. Based on this input, the Company appears to have made an excusable mistake in its calculations, therefore, the Company requests Leave to Amend its 2018 Annual Report to correct this error.

Upon the Commission's grant of this Motion, the Company will arrange with the Commission's Fiscal Office to submit the Company's amended 2018 Annual Report electronically through the Commission's web-based filing system and to promptly remit any applicable adjusted assessment.

The Company respectfully requests that the Commission grant this Motion for Leave to Amend and Replace the Company's 2018 Annual Report.

Respectfully,

Philip Josephson
