# Notice of Public Informational Meeting for Proposed Major Utility Facility

**Seneca Wind, LLC Schedules October 23, 2019 for a Public Meeting to Outline Plans for up to a 212 Megawatt Wind Farm To Be Located in Seneca County, Ohio.**

Seneca Wind, LLC invites residents of Scipio, Reed, Venice, Eden, and Bloom Townships, Seneca County, Ohio, and other interested members of the public, to attend a public informational meeting regarding the company's plans to build up to a 212 megawatt wind farm.

The project will be built on approximately 25,000 acres of leased private land in Scipio, Reed, Venice, Eden, and Bloom Townships, Seneca County. The wind farm will consist of up to 77 wind turbine generators, along with access roads, electric collection cables, a substation, a laydown yard for construction staging, an operations and maintenance facility, and two meteorological towers. The total generating capacity of the wind farm will not exceed 212 megawatts. The energy generated at the wind farm will deliver power to a single point of interconnection on the AEP Melmore 138 kilovolt transmission line. Construction of the project is projected to begin in October 2020, with projected commercial operation beginning in August 2021.

The public informational meeting will take place on **Wednesday, October 23, 2019** from **3:00 p.m. to 6:00 p.m.** at the Attica Fairgrounds Social Hall, 15127 East Township Road 12 Attica, Ohio 44807. The meeting format will be an open house with stations containing information about the project presented on informational boards located throughout the room. Maps of the project area will be available to review. Company representatives will be available at each station to answer questions. Those who attend the meeting may submit written comments that the applicant will summarize, address and include in its application.
