REQUEST:

The application states a Driveway Permit from the Hamilton County Engineer's Office will be submitted in August 2019 for the proposed installation of four (4) temporary construction entrances to access the Project. Please provide a copy of this permit.

RESPONSE:

After communication with Hamilton County, we have learned that this is actually within the jurisdiction of Elmwood Village. Elmwood Village has been in communication with Cardno on their Right of Way permit, which will act as a Driveway Permit, but Elmwood Village is still in the process of producing this document.
