Dear Attorney Examiners:

On September 20, 2019, Ohio Power Company (AEP Ohio or the Company) filed a Motion to Temporarily Hold the Merit Decision in Abeyance, indicating that it was working to develop a separate filing to supplement the proposal as filed in these proceedings in a way that presents the Commission with additional options and flexibility. While the Motion was opposed and has not been ruled upon to date, the Company has used the additional time to diligently work toward fulfilling its commitment. This letter is intended to provide notice to the Public Utilities Commission of Ohio (Commission) and the parties that AEP Ohio has filed a reasonable arrangement application in Case No. 19-2037-EL-AEC, consistent with the 900 MW renewable commitment previously approved by the Commission (Case Nos. 14-1693-EL-RDR, *et al.*), Paragraph III.D.3 of its approved ESP IV plan (Case Nos. 16-1853-EL-SSO, *et al.*), and R.C. 4905.31. That filing does not modify the Company's position or requests for relief in these proceedings.

Thank you for your attention to this matter.

Regards,

/s/ Steven T. Nourse
