

THE PUBLIC UTILITIES COMMISSION OF OHIO

IN THE MATTER OF THE COMMISSION'S
REVIEW OF THE STANDARD FILING
REQUIREMENTS FOR RATE INCREASES IN
OHIO ADM.CODE 4901-7-01.

CASE NO. 19-2103-AU-ORD

ENTRY

Entered in the Journal on December 3, 2019

{¶ 1} R.C. 111.15(B) and R.C. 106.03(A) require all state agencies to conduct a review, every five years, of their rules and to determine whether to continue their rules without change, amend their rules, or rescind their rules. The Commission has opened this docket in order to review the standard filing requirements for rate increases in Ohio Adm.Code 4901-7-01.

{¶ 2} R.C. 106.03(A) requires that the Commission determine whether the rules:

- (a) Should be continued without amendment, be amended, or be rescinded, taking into consideration the purpose, scope, and intent of the statute under which the rules were adopted;
- (b) Need amendment or rescission to give more flexibility at the local level;
- (c) Need amendment or rescission to eliminate unnecessary paperwork;
- (d) Incorporate a text or other material by reference and, if so, whether the citation accompanying the incorporation by reference would reasonably enable the joint committee on agency rule review or a reasonable person to whom the rules apply to find and inspect the incorporated text or material readily and without charge and, if the rule has been exempted in

whole or in part from R.C. 121.71 to 121.74 because the incorporated text or material has one or more characteristics described in R.C. 121.75(B), whether the incorporated text or material actually has any of those characteristics;

- (e) Duplicate, overlap with, or conflict with other rules;
- (f) Have an adverse impact on businesses, as determined under R.C. 107.52;
- (g) Contain words or phrases having meanings that in contemporary usage are understood as being derogatory or offensive; and
- (h) Require liability insurance, a bond, or any other financial responsibility instrument as a condition of licensure.

{¶ 3} Additionally, in accordance with R.C. 121.82, in the course of developing draft rules, the Commission must evaluate the rules against a business impact analysis (BIA). If there will be an adverse impact on businesses, as defined in R.C. 107.52, the agency is to incorporate features into the draft rules to eliminate or adequately reduce any adverse impact. Furthermore, the Commission is required, pursuant to R.C. 121.82, to provide the Common Sense Initiative office the draft rules and the BIA.

{¶ 4} The attorney examiner finds that, prior to issuing Staff's proposed revisions to the rules for comment, it is appropriate to require Staff to hold a workshop with interested stakeholders. At the workshop, Staff may elicit feedback on any proposed revisions to the rules that Staff may have and may permit stakeholders to propose their own revisions to the rules for Staff's consideration. Interested stakeholders should come to the workshop prepared with necessary technical experts to provide appropriate feedback. An attorney examiner from the Commission's legal department will serve as a moderator for the

workshop. After Staff has an opportunity to consider the feedback received at the workshop, proposed rule amendments will be issued for comments and reply comments by interested persons.

{¶ 5} Accordingly, the attorney examiner finds that a workshop should be scheduled for December 19, 2019, at 10:00 a.m., at the offices of the Commission, 180 East Broad Street, Hearing Room 11-B, Columbus, Ohio. The workshop is intended as an opportunity for Staff to receive feedback from interested stakeholders before the draft rules are issued for comment. Any interested stakeholder that does not participate in the workshop may file comments with the Commission once the draft rules have been issued.

{¶ 6} It is, therefore,

{¶ 7} ORDERED, That a workshop be scheduled for December 19, 2019, at 10:00 a.m., at the offices of the Commission, 180 East Broad Street, Hearing Room 11-B, Columbus, Ohio. It is, further,

{¶ 8} ORDERED, That a copy of this Entry be sent to the electric-energy, gas-pipeline, and water list-serves. It is, further,

{¶ 9} ORDERED, That a copy of this Entry be served upon all rate-regulated electric distribution companies, gas and natural gas companies, water and sewage disposal system companies, the Ohio Consumers' Counsel, and parties of record in Case No. 12-2338-AU-ORD.
