On November 7, 2019, Amplex Electric, Inc. The Applicant is proposing to offer basic local exchange service (BLES) bundled with an unregulated service to residential and business customers.

This is an application seeking authority to offer a bundle or package of services as defined in 4927.01(A)(3), as such it must comply with §4901:1-6-08 of the Ohio Administrative Code. Upon review of the application, Staff found some deficiencies; as such Staff contacted the Applicant to request the application be revised to correct these deficiencies. The Applicant forwarded the requested corrections to Staff on November 27 and December 2, 2019. Upon review of those corrections, Staff found them to be sufficient.

The Staff reviewed all documents and exhibits filed on January 17 and as amended November 27 and December 2, 2019. In conclusion, the Staff review found that the application, as amended, is reasonable. Therefore, Staff recommends that the Applicant's Application for Certification (ACE) be approved.
