Andrew,

Good morning. The filing only applies to the 15MW that were approved in the application. So the facility's registration will still be limited to only the 15MW.

Thanks,

Lucas –

Would you please clarify what megawatt capacity will be registered with MRETS? That is will the facility's registration be limited to only the 15MW?

Thanks.

Sincerely,

Mr. Conway,

Good afternoon. Rebecca Glover will be leaving Whitt Sturtevant LLP at the end of this month and I will be taking over her caseload, including this case. I have attached the Notice of Material Change filed today in Case No. 17-1881-EL-REN, pertaining to North Lake Energy's intent to switch its tracking system registration from GATS to Midwest Renewable Energy Tracking System (M-RETS) effective January 1, 2020. If you have any questions, please don't hesitate to reach out to me. I hope you have a Happy Thanksgiving!

All the best,

Lucas A. Fykes
