Description of Proposal

In accordance with Rules 4901:1-10-05(J)(1), (J)(5)(a) and (J)(5)(b) of the Ohio Administrative Code, and in response to the Commission Opinion and Order in Case Nos. 16-481-EL-UNC and 17-2436-EL-UNC, et al., dated July 17, 2019, The Cleveland Electric Illuminating Company, Ohio Edison Company, and The Toledo Edison Company (collectively, “Companies”) seek to update their Automated Meter Opt-out Rider (Rider AMO) in order to provide any customer taking service under the Residential Service rate schedule (Rate RS) with the option to remove an installed advanced meter and replace it with a traditional meter, and the option to decline installation of an advanced meter and retain a traditional meter, through a cost-based, tariffed opt-out service.

**RIDER AMO**  
**Automated Meter Opt-out Rider**

**APPLICABILITY:**

Applicable to any customer taking service under all rate schedules who has been notified that the customer's meter will be replaced with an advanced meter and who does not wish to have an advanced meter installed at the customer's premises or any customer who currently has an advanced meter who wishes to have it removed (hereafter, "Opt-out Customers"). This Rider is not avoidable for any customer during the period the customer takes electric generation service from a certified supplier. The tariff shall not be available to any customer taking generation service under a time differentiated rate.

**RATE:**

The charge to remove the advanced meter for this service and install a non-communicating meter is \$0. In addition, Opt-out Customers will receive a monthly customer charge.

Customer Charge	\$00.00
-----------------	---------

**ADDITIONAL PROVISION:**

A non-communicating meter will be used to provide electric service for customers who elect this option. Opt-out Customers will be charged the initial and monthly charges described above once the replacement meter(s) is installed. Customers who opt out prior to the advanced meter installation will be charged only the monthly charge described above.

The Company may refuse to provide advanced meter opt-out service in either of the following circumstances:

- 1) If such a service creates a safety hazard to consumers or their premises, the public, or the electric utility's personnel or facilities.
- 2) If a customer does not allow the electric utility's employees or agents access to the meter at the customer's premises.
