Subject: Emerson Creek Wind Case

Enclosed is a Notice of Appearance that I filed to notify the Ohio Power Siting Board that my law firm is representing some of the residents who have intervened in the case in which Firelands Wind, LLC has applied for a certificate to construct and operate the Emerson Creek Wind Farm, Case No. 18-1607-EL-BGN. Because you have not retained my firm, I will not be representing you in this case. As you know, John Stock has filed a notice withdrawing from the case, so he and his law firm no longer represent you

You may continue to participate in this case as an intervenor either by hiring your own attorney or by representing yourself. If you continue to participate in the case as an intervenor, you must answer discovery requests such as the one that Firelands' attorney recently sent to you and fulfill all other obligations in the case. If you no longer wish to participate in the case, you may withdraw from the case by signing the enclosed form and mailing the form and 10 copies of it to the Ohio Power Siting Board, Docketing Division, 180 East Broad Street, Columbus, Ohio 43215.
