Re: Applications to Commit Energy Efficiency/Peak Demand Reduction Programs  
(Mercantile Customers Only) in Case Nos. 20-0019-EL-EEC, 20-0068-EL-EEC, 20-  
0069-EL-EEC, 20-0070-EL-EEC, and 20-0071-EL-EEC

To Whom It May Concern:

The undersigned attorney represents The Cleveland Electric Illuminating Company and Ohio Edison Company (collectively, the “Companies”) with respect to the subject matter of this correspondence. Staff of the Public Utilities Commission of Ohio (“Staff”) recently advised the Companies that certain pages contained in the electronically filed Applications to Commit Energy Efficiency/Peak Demand Reduction Programs (Mercantile Customers Only) in Case Nos. 20-0019-EL-EEC, 20-0068-EL-EEC, 20-0069-EL-EEC, 20-0070-EL-EEC, and 20-0071-EL-EEC (“Mercantile Applications”) were not legible due to certain sizing issues in PDF format. Consequently, after consulting Staff, the Companies have re-filed the illegible pages in the affected Mercantile Applications, so that they are now legible.

If you have any questions or concerns, please do not hesitate to contact me.

Very truly yours,

/s/ Mark T. Keaney
