Re: Case No. 20-1025-EL-WVR – *In the Matter of the Application of Ohio Edison Company, The Cleveland Electric Illuminating Company, and The Toledo Edison Company for Waiver of Rider ELR Annual Testing Requirement Due to the COVID-19 State of Emergency*

Dear Sir/Madame:

On May 11, 2020, Ohio Edison Company, The Cleveland Electric Illuminating Company, and the Toledo Edison Company (collectively “FirstEnergy”) filed an application in the above-captioned proceeding seeking a waiver of the testing requirement for Rider ELR customers for the 2019-20 delivery year. Nucor Steel Marion, Inc. finds FirstEnergy’s proposal reasonable and recommends that the Commission approve the application.

Sincerely,

/s/ Michael K. Lavanga
