**REVIEW AND RECOMMENDATION  
SUBMITTED ON BEHALF OF THE STAFF OF  
THE PUBLIC UTILITIES COMMISSION OF OHIO**

---

On April 17, 2020, Paradise Energy Solutions on behalf of Ronald Klimes filed an application for certification of a generation facility as an eligible renewable energy resource generating facility. The Ronald Klimes facility was certified on May 20, 2020. On June 2, 2020, Paradise Energy Solutions notified PUCO staff that this application is a duplicate.

The facility was also certified in case no. 19-1264-EL-REN on August 1, 2019. Neither certification numbers issued in case no. 19-1264-EL-REN or 20-0894-EL-REN have been registered with the tracking system PJM-GATS. Paradise Energy Solutions will not register the certification number of case no. 20-0894-EL-REN. SRECs have not been issued for the certification numbers. Therefore, double counting has not occurred.

Staff recommends the Commission revoke the certificate pursuant to the applicant's request in case no. 20-0894-EL-REN.
