Notice of Public Information Meeting for Proposed Major Utility Facility

Madison Fields Solar Project, LLC, a wholly-owned subsidiary of Savion, LLC, held three public informational meetings in Madison County, Ohio, on November 5 and 6, 2019 at The Rosedale Bible College, and a live phone-question and answer (Q&A) session on June 16, 2020, to outline plans to build the Madison Fields Solar Project, a solar-powered generation facility located in Pike Township, in Madison County. The facility will be sited on approximately 1,000 acres and have a maximum total generating capacity of up to 180 megawatts. The purpose of the facility is to generate electricity and is intended to fill the need for a more diverse national energy portfolio that will include a higher percentage of energy generated through the use of renewable resources. The facility design has been optimized to utilize land and still provide environmental and visual setbacks to achieve a minimal impact to natural resources and adjacent residents' views. Construction is anticipated to begin as early as the end of 2021 or first quarter of 2022, resulting in commercial operations in fourth quarter 2022.

On Wednesday, July 15, 2020, from 6:00 p.m. to 7:00 p.m., Madison Fields will host an additional public information meeting that will be virtual and will consist of a live phone Q&A session on the project. The meeting will be virtual in nature to adhere to the current restrictions regarding public gatherings. The public will be able to participate in the Q&A session by telephone. Similar to the meetings held in November and June, questions will be answered directly by the development team. The live phone Q&A session will be brought to you via telephone, there will be no visual presentation during the event.

A presentation about the project, which includes maps, is posted on Madison Field's website (www.madisonfieldsolarproject.com) and Facebook page (www.facebook.com/MadisonFieldsSolarProject) for viewing by the public at their convenience. Alternative access to the presentation is also available upon request by contacting Sarah Moser (Project Developer) at Attn: Sarah Moser, Savion, LLC., 422 Admiral Blvd., Kansas City, MO 64106, (419) 910-1566, or smoser@savionenergy.com. The public can submit comments to Madison Fields anytime via Madison Field's website, Facebook page, or in writing via email or mail. Individuals can also reach out directly to Sarah Moser at the phone number and email address listed above to obtain additional information on the Project.

To access the live phone Q&A session on Wednesday July 15, 2020, from 6:00 p.m. to 7:00 p.m., attendees will call +1-510-338-9438 and enter PIN 290171422#. During the live phone Q&A, instructions will be provided to submit questions. For additional information on how to access the live phone Q&A contact the Madison Fields team via the addresses or telephone number listed above.

Madison Fields anticipates filing its application with the Ohio Power Siting Board (OPSB) after the live phone Q&A session. OPSB's case number for the project is 19-1881-EL-BGN and the filings made with the OPSB in the Madison Fields case can be viewed at <http://dis.puc.state.oh.us/CaseRecord.aspx?Caseno=19-1881&link=D1>.

Upon the receipt of the application, OPSB will review the application to determine if it is complete so OPSB staff can begin its investigation. Should OPSB find the application complete, OPSB will set a date for public hearing, not less than 60 nor more than 90 days after such finding. The public hearing consists of two parts: a public hearing where OPSB will accept written or oral testimony and an adjudicatory hearing. 15 days prior to the public hearing, OPSB's staff will submit a written report on the project.

OPSB accepts written comments on the project from interested persons at any time, as well as written or oral testimony from any person at the public hearing. Petitions to intervene in the adjudicatory hearing will be accepted by OPSB in accordance with a deadline set by OPSB. To request notification of the public hearing or submit comments in the docket contact OPSB at 180 E. Broad St., Columbus, OH 43215, 1-866-270-6772, or contactOPSB@puc.state.oh.us. Petitions to intervene should be addressed to Docketing Division, the Ohio Power Siting Board, 180 E. Broad St., Columbus, OH 43215 or can be electronically filed. All correspondence and petitions to intervene must include reference to Case No. 19-1881-EL-BGN.
