16-1871-EL-BGN

I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.

I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Siting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines in Ohio's greatest natural resource.
