Subject: - Case Number: 16-1871-EL-BGN

I am writing to urge the members of the Ohio Power Siting Board to stand firm on their appropriate decision to mandate Icebreaker Wind's turbines be feathered at night from March to November. And I thank each Board member for recognizing the critical environmental concerns that permitting the construction of any turbines in Lake Erie bring into focus. Please continue such due diligence for the sake of generations to come.

Thank you,
Norman Schultz
