

Description	Name
Why do we need wind turbines on Lake Erie	Joe Stelzer
<p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p>	Dennis Schreiner
<p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p> <p>Sharon Schreiner</p>	Sharon Schreiner
<p>Reference case number: 16-1871-EL-BGN</p> <p>We must first have an environmental impact study completed. Our Great Lakes are too fragile and too important to risk. I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p> <p>Thank you for doing the right thing - stop this project!</p>	Nicki Polan
<p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p>	Brian MacEwan

Reference case number: 16-1871-EL-BGN	Steve Kelley
I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.	
I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.	
Stop the wind turbins in my lake	James A Herold
Reference case number: 16-1871-EL-BGN	
I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.	
I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.	
Reference case number: 16-1871-EL-BGN	Deborah Callihan
I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.	
I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.

I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p>	Mike Hydzik
<p>Regarding case # 16-1871-EL-BGN- I am writing to express my opposition to the proposed wind turbines on/in Lake Erie. Lake Erie is our greatest natural resource in Ohio and state agencies who have been charged with protecting it continue to neglect their jobs in large part due to elected officials having the palms greased by industry seeking greedy self centered outcomes. There are other carbon neutral and smarter ways to produce electricity. Do what is right and vote to not allow the further invasion with yet one more species that shouldn't be there....wind turbines are just one more in a long line of "species" that have been allowed to mess up the greatest resource in Ohio</p>	Gordon Brollier
<p>16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p>	Dustin Alexander
<p>case #16-1871-el-bgn. No wind tunels its a terrible idea</p>	kevin k redavide

<p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p>	Ann Metz
<p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p>	Len Partin
<p>Hello,</p> <p>First, I am both a residential and business customer. This communication references case number: 16-1871-EL-BGN. As an avid fisherman, boater, business and home owner, we utilizes the great lakes for critical relaxation and recreation, I am concerned about the potential issues the aforementioned project (even the trial) may have on our lake . I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a top priority. I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p>	David Lebeau
<p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p>	

<p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p>	GARRY MARQUISS
<p>I am very concerned about the plan to locate wind turbans in Lake Erie. Lake Erie is already under assault on several fronts and this project is another important way to degrade the Lake. Please reconsider approval for the project.</p>	Kevin Ward Miller
<p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p>	amy Backus
<p>not in favor of this happening</p>	
<p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p>	George L Flick, III
<p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p>	Clay Miller

<p>A family member of mine did an economic study on the turbines and told me that it was a waste of money. It had many issues. The price of energy exceeded the cost of wholesale energy, the turbines pose a threat to wildlife that is not been tested, the weather in the lake could potentially tear the turbines down, and would increase potential injury of workers doing maintenance. I appose the wind turbines in Lake Erie.</p>	<p>Joanna and Marty Gallagher</p>
<p>I am against the wind turbines in lake erie</p>	<p>Michael Banks</p>
<p>case number: 16-1871-EL-BGN</p> <p>The Lake Erie lakeshore and main body of water is experiencing a resurgence in recreational use and I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project nor ANY industrialization of Lake Erie. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource. Better yet PLEASE RECIND or DO NOT AUTHORIZE ANY permit to build wind turbines on Lake Erie</p>	<p>John Patrick Layne</p>
<p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. <p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p> <p>Please protect one of Earth's only freshwater sources. I understand energy is important, but natural freshwater is of far more importance. The waterways and environment surrounding the Great Lakes has been in danger for decades now, please don't allow this project to do exactly what it will - destroy all progress and any to be made by future generations. There are other means and methods to energy sources that do not impact such a vital resource to the world.</p> <p>Find another way. It can be done.</p>	
<p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. <p>To Whom it May Concern,</p> <p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p> <p>In my opinion installing wind turbines will ruin one of our greatest natural resources. It's very frustrating to learn we are even considering this project under any circumstances or conditions.</p> <p>Regards, Jeff</p>	<p>Jeffrey Davis</p>
<p>I am concerned about this wind turbine project; 16-1871-EL-BGN</p> <p>The State of Ohio has an obligation to protect our natural resources and must regard the protection of Lake Erie as a top priority.</p> <p>I do not support an uncontrolled Icebreaker Wind Turbine project. I am very concerned about the industrialization and destructive nature of this project in Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p>	<p>David Damusis</p>
<p>Reference case number: 16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project. I am very concerned about the industrialization of Lake Erie. I strongly urge the Ohio Power Sitting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource.</p>	<p>Wesley waters</p>

<p>16-1871-EL-BGN</p> <p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I support the Icebreaker Wind Turbine project. I am very concerned about increases in global temperatures and the impact carbon emissions have on Lake Erie, including acidification, increases in global temperature/water temperatures and increased frequency of algae bloom. I strongly urge the Ohio Power Sitting Board to ensure that environmental impact studies are completed by non-partisan groups and provide risk-benefit reports to the community. They should value minimizing negative impacts to the natural environment and minimize concerns by property owners or competing industries. Building wind turbines on Ohio's greatest natural resource should help diversify the local economies on the shores of the great lakes and reduce our reliance on industries that harm the aquifer.</p>	
<p>16-1871-EL-BGN</p>	<p>Jared Whipple</p>

<p>Reference case number: 16-1871-EL-BGN</p> <p>I was born and raised Ohio, a graduate from Ohio U., a passed resident of Columbus and Huron, Ohio. My wife and her family owned a full-service marina in Huron, Ohio that I managed in the early 70s. My family and I moved to Florida where I managed the Marine Industries Association of South Florida and later moved to Michigan to manage the Michigan Boating Industries Association for twenty years. While in Michigan, Governor Rick Snyder appointed me to the Michigan Waterways Commission and I also service as the Vice Chairman. I not only worked in the recreational boating industry, I was an active boater. I retired ten years ago and now reside in Florida. I am writing to express my concern on the proposal to install Wind Turbines in Lake Erie. I am not aware of any research that can show the impact the construction and ongoing upkeep of turbines while have and any of the Great Lakes and, in my opinion, Lake Erie is very fragile and it is not ap</p>	<p>Van W. Snider, Jr. , MBA, CAE Retired</p>

<p>Placing wind turbines in Lake Erie will destroy a world class boating and fishing environment, that that has regained it's rightful status from the filthy pollution of many years ago, to today. These machines will one day deteriorate and pollute the lake once more, and it a fairy tale to expect more than 20 years from them. Look at Chicago.... the skyline is inundated with wind turbines. I won't benefit from the power generated from such machines, but I will have to pay to build them.... and my ancestors will have to clean up the mess. Your company does not have enough MONEY to place in BOND to repair the damage your machines will do Lake Erie. Go to California.</p>	Charles E Davenport

<p>I am writing to you today to ask you to please take a moment to submit your opposition to the Icebreaker wind turbine project on Lake Erie. The Ohio Power Siting Board issued approval for this project with 33 criteria that must be met. LEEDCO, the entity behind this project, has appealed this decision and the hearing is THIS THURSDAY.</p> <p>Time is truly running out on this issue. If you care at all about the lake I ask you to please follow the links below. We have made it very easy for you to connect to the OPSB site by following the LET YOUR VOICE BE HEARD link below, copy and paste the text (or use your own, just be sure to include the case number), select the Electrical Industry, and submit. We must implore the OPSB to hold strong on their decision.</p> <p>Alternatively, you can also link to OPSB here: https://puco.ohio.gov/wps/portal/gov/puco/help-center/contact-us</p> <p>Use the statement below, or write your own- just include the CASE number</p> <p>Reference case number: 16-1871-EL-</p>	
<p>Please stop project ice breaker it is too harmful to the environment and the maintenance costs may be higher then the potential earnings and there is land where these can be put with less environmental impact and lower cost for maintenance and installation</p>	David Hahn
<p>I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.</p> <p>I do not support the Icebreaker Wind Turbine project.
