Esteemed Board Members,

I believe the State of Ohio has an obligation to protect our natural resources and should regard the protection of Lake Erie as a priority.

I do not support the Icebreaker Wind Turbine project, and am very concerned about the industrialization of Lake Erie.

I strongly urge the Ohio Power Siting Board to uphold its decision to include 33 critical conditions in its permit to build wind turbines on Ohio's greatest natural resource, Lake Erie.

Kind regards,
Doug Keehan
