- Utiliz LLC has been in the electric and / or natural gas business since inception on April 27th 2016.
- We have executed thousands of enrollments on behalf of our clients
- We have saved our customers over \$339,486 compared to standard service since September 2016. See statistics updated daily on our home page:  
<https://www.myutiliz.com/>
- View over 50 5-star testimonials at <https://trustspot.io/store/Utiliz>

### A-14. Secretary of State

Secretary of State Link:

## Section B: Applicant Managerial Capability and Experience

### **B-1. Jurisdiction of operations**

List all jurisdictions in which the applicant or any affiliated interest of the applicant is certified, licensed, registered or otherwise authorized to provide retail natural gas service or retail/wholesale electric service as of the date of filing the application..

File Attached

### **B-2. Experience and plans**

Describe the applicant's experience in providing the service(s) for which it is applying (e.g., number and type of customers served, utility service areas, amount of load, etc.). Include the plan for contracting with customers, providing contracted services, providing billing statements and responding to customer inquiries and complaints in accordance with Commission rules adopted pursuant to Sections 4928.10 and/or 4929.22 of the Ohio Revised Code.

File(s) attached

### **B-3. Disclosure of liabilities and investigations**

For the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant, describe all existing, pending or past rulings, judgments, findings, contingent liabilities, revocation of authority, regulatory investigations, judicial actions, or other formal or informal notices of violations, or any other matter related to competitive services in Ohio or equivalent services in another jurisdiction..

Liability and Investigations Disclosures: The applicant does not have any existing, pending or past rulings, judgments, contingent liabilities, revocation of authority, regulatory investigations, or any other matter that could adversely impact the applicant's financial or operational status or ability to provide the services it is seeking to be certified to provide.

### **B-4. Disclosure of consumer protection violations**

Has the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant been convicted or held liable for fraud or for violation of any consumer protection or antitrust laws within the past five years?

**No**

**B-5. Disclosure of certification, denial, curtailment, suspension or revocation**

Has the applicant, affiliate, or a predecessor of the applicant had any certification, license, or application to provide retail natural gas or retail/wholesale electric service denied, curtailed, suspended, revoked, or cancelled or been terminated or suspended from any of Ohio's Natural Gas or Electric Utility's Choice programs within the past two years?

**No**

**B-6. Environmental disclosures**

Provide a detailed description of how the applicant intends to determine its generation resource mix and environmental characteristics, including air emissions and radioactive waste. Include the annual projection methodology and the proposed approach to compiling the quarterly actual environmental disclosure data. See 4901:1-21-09 of the Ohio Administrative Code for additional details of this requirement.

**PJM disclosure option chosen**

## **Section C: Applicant Financial Capability and Experience**

**C-1. Financial reporting**

Provide a current link to the most recent Form 10-K filed with the Securities and Exchange Commission (SEC) or upload the form. If the applicant does not have a Form 10-K, submit the parent company's Form 10-K. If neither the applicant nor its parent is required to file Form 10-K, state that the applicant is not required to make such filings with the SEC and provide an explanation as to why it is not required.

Does not apply

**C-2. Financial statements**

Provide copies of the applicant's two most recent years of audited financial statements, including a balance sheet, income statement, and cash flow statement. If audited financial

statements are not available, provide officer certified financial statements. If the applicant has not been in business long enough to satisfy this requirement, provide audited or officer certified financial statements covering the life of the business. If the applicant does not have a balance sheet, income statement, and cash flow statement, the applicant may provide a copy of its two most recent years of tax returns with **social security numbers and bank account numbers redacted**.

If the applicant is unable to meet the requirement for two years of financial statements, the Staff reviewer may request additional financial information.

Preferred to file this information confidentially

### **C-3. Forecasted financial statements**

Provide two years of forecasted income statements **based solely on the applicant's anticipated business activities in the state of Ohio**.

Include the following information with the forecast: a list of assumptions used to generate the forecast; a statement indicating that the forecast is based solely on Ohio business activities only; and the name, address, email address, and telephone number of the preparer of the forecast.

The forecast may be in one of two acceptable formats: 1) an annual format that includes the current year and the two years succeeding the current year; or 2) a monthly format showing 24 consecutive months following the month of filing this application broken down into two 12-month periods with totals for revenues, expenses, and projected net incomes for both periods. Please show revenues, expenses, and net income (revenues minus total expenses) that is expected to be earned and incurred in **business activities only in the state of Ohio** for those periods.

If the applicant is filing for both an electric certificate and a natural gas certificate, please provide a separate and distinct forecast for revenues and expenses representing Ohio electric business activities in the application for the electric certificate and another forecast representing Ohio natural gas business activities in the application for the natural gas certificate.

Preferred to file confidentially

### **C-4. Credit rating**

Provide a credit opinion disclosing the applicant's credit rating as reported by at least one of the following ratings agencies: Moody's Investors Service, Standard & Poor's Financial Services,

Fitch Ratings or the National Association of Insurance Commissioners. If the applicant does not have its own credit ratings, substitute the credit ratings of a parent or an affiliate organization and submit a statement signed by a principal officer of the applicant's parent or affiliate organization that guarantees the obligations of the applicant. If an applicant or its parent does not have such a credit rating, enter 'Not Rated'.

This does not apply

#### **C-5. Credit report**

Provide a copy of the applicant's credit report from Experian, Equifax, TransUnion, Dun and Bradstreet or a similar credit reporting organization. If the applicant is a newly formed entity with no credit report, then provide a personal credit report for the principal owner of the entity seeking certification. At a minimum, the credit report must show summary information and an overall credit score. **Bank/credit account numbers and highly sensitive identification information must be redacted.** If the applicant provides an acceptable credit rating(s) in response to C-4, then the applicant may select 'This does not apply' and provide a response in the box below stating that a credit rating(s) was provided in response to C-4.

This does not apply.

#### **C-6. Bankruptcy information**

Within the previous 24 months, have any of the following filed for reorganization, protection from creditors or any other form of bankruptcy?

- Applicant
- Parent company of the applicant
- Affiliate company that guarantees the financial obligations of the applicant
- Any owner or officer of the applicant

No

#### **C-7. Merger information**

Is the applicant currently involved in any dissolution, merger or acquisition activity, or otherwise participated in such activities within the previous 24 months?

No

#### **C-8. Corporate structure**

Provide a graphical depiction of the applicant's corporate structure. Do not provide an internal organizational chart. The graphical depiction should include all parent holding companies, subsidiaries and affiliates as well as a list of all affiliate and subsidiary companies that supply retail or wholesale electricity or natural gas to customers in North America. If the applicant is a stand-alone entity, then no graphical depiction is required, and the applicant may respond by stating that it is a stand-alone entity with no affiliate or subsidiary companies.

File(s) attached

## Section D: Applicant Technical Capacity

### **D-1. Operations**

Power brokers/aggregators: Include details of the applicant's business operations and plans for arranging and/or aggregating for the supply of electricity to retail customers.

File(s) attached

### **D-2. Operations Expertise & Key Technical Personnel**

Given the operational nature of the applicant's business, provide evidence of the applicant's experience and technical expertise in performing such operations. Include the names, titles, e-mail addresses, and background of key personnel involved in the operations of the applicant's business.

Exhibit B-1

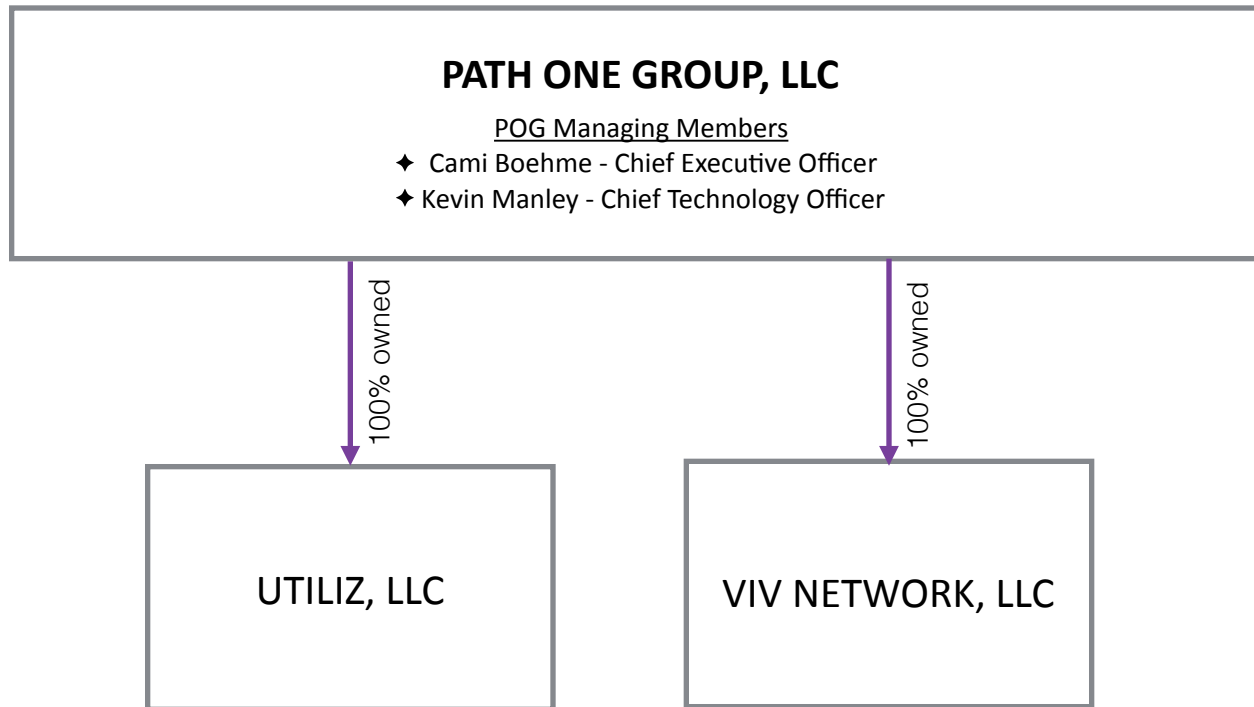

Utiliz LLC. currently offers services in all utility areas of these states which are served by retail electricity & gas suppliers:

- Connecticut (licensed by PURA, docket #16-10-04)
- New York (no license required)
- Massachusetts (license EB-399)
- Rhode Island (no license required)
- New Hampshire (docket DM 17-092)
- New Jersey (registrations EA-0426 and EC-0137)
- Pennsylvania (A-2018-3004915)
- Maryland (IR-4067)

Exhibit B-2  
Experience & Plans

- Utiliz LLC is a licensed electricity aggregator in the State of Connecticut (PURA docket 16-10-04), a licensed energy broker in the State of Massachusetts (license EB-399), a registered Energy Agent and Energy Consultant (registration numbers EA-0426 and EC-0137) in the State of New Jersey, licensed electricity supplier in Maryland (License IR-4067), licensed broker/marketer in the State of Pennsylvania (license A-2018-3004915) and licensed energy broker in the State of New Hampshire (docket DM 17-092). Utiliz LLC does business in New York and Rhode Island where there is no energy broker licensing requirement. We currently have over 10 million kWh/yr under management (over 1,000 Residential Customer Equivalents).
- Utiliz LLC has the necessary experience to fulfill the technical competency required to operate as an energy broker / aggregator in the state of Ohio. The founder brings over 18 years' experience building technology solutions and working with highly efficient trading markets and high customer volume. The executive team brings over 18 years experience in the deregulated energy market.
- Utiliz LLC employs an existing team of front and back office team members who are responsible for processing online customer enrollments, responding to customer inquiries via chat, e-mail and phone, facilitating customer renewals and liaising with retail suppliers. These team members bring 21 years of utility and retail energy supplier customer service experience.
- The Utiliz LLC service offering is solely management of retail suppliers on behalf of our customers. Including:
  - Identification of retail supplier and plan to best fit our customer
  - Automatic enrollment of customers onto plans
  - Querying customer usage history periodically
  - Monitoring of market prices and plan availability to ensure clients remain on competitive plans.
  - Negotiating plan rates on behalf of our clients
  - Re-enrolling a customer automatically when their current enrollment is about to end.
  - Moving customers to standard service temporarily if we cannot find them a better deal in the retail market.
  - Handling first line support for our customers
  - Working closely with state regulators to help improve the deregulated energy markets in their states

## PATH ONE GROUP OF COMPANIES ORG CHART

Utah State University, Logan, Utah

# **Competitive Retail Electric Service Affidavit**

County of Westchester:

State of New York:

Kim Silvera, Affiant, being duly sworn/affirmed, hereby states that:

1. The information provided within the certification or certification renewal application and supporting information is complete, true, and accurate to the best knowledge of affiant, and that it will amend its application while it is pending if any substantial changes occur regarding the information provided.
2. The applicant will timely file an annual report of its intrastate gross receipts, gross earnings, and sales of kilowatt-hours of electricity pursuant to Sections 4905.10(A), 4911.18(A), and 4928.06(F), Ohio Revised Code.
3. The applicant will timely pay any assessment made pursuant to Sections 4905.10, 4911.18, and 4928.06(F), Ohio Revised Code.
4. The applicant will comply with all applicable rules and orders adopted by the Public Utilities Commission of Ohio pursuant to Title 49, Ohio Revised Code.
5. The applicant will cooperate fully with the Public Utilities Commission of Ohio, and its Staff on any utility matter including the investigation of any consumer complaint regarding any service offered or provided by the applicant.
6. The applicant will fully comply with Section 4928.09, Ohio Revised Code regarding consent to the jurisdiction of Ohio Courts and the service of process.
7. The applicant will comply with all state and/or federal rules and regulations concerning consumer protection, the environment, and advertising/promotions.
8. The applicant will use its best efforts to verify that any entity with whom it has a contractual relationship to purchase power is in compliance with all applicable licensing requirements of the Federal Energy Regulatory Commission and the Public Utilities Commission of Ohio.
9. The applicant will cooperate fully with the Public Utilities Commission of Ohio, the electric distribution companies, the regional transmission entities, and other electric suppliers in the event of an emergency condition that may jeopardize the safety and reliability of the electric service in accordance with the emergency plans and other procedures as may be determined appropriate by the Commission.
10. If applicable to the service(s) the applicant will provide, it will adhere to the reliability standards of (1) the North American Electric Reliability Council (NERC), (2) the appropriate regional reliability council(s), and (3) the Public Utilities Commission of Ohio.
11. The Applicant will inform the Public Utilities Commission of Ohio of any material change to the information supplied in the application within 30 days of such material change, including any change in contact person for regulatory purposes or contact person for Staff use in investigating consumer complaints.

12. The facts set forth above are true and accurate to the best of his/her knowledge, information, and belief and that he/she expects said applicant to be able to prove the same at any hearing hereof.

13. Affiant further sayeth naught.
