COUNSEL FOR INDUSTRIAL ENERGY USERS-OHIO

**BEFORE
THE PUBLIC UTILITIES COMMISSION OF OHIO**

In the Matter of the Application of)	
Ohio Power Company to Amend its)	Case No. 20-1603-EL-ATA its
Tariff)	
 In the Matter of the Application of)	
Ohio Power Company for Approval of)	Case No. 20-1604-EL-AAM
Certain Accounting Authority)	

MOTION OF INDUSTRIAL ENERGY USERS-OHIO TO INTERVENE

Industrial Energy Users-Ohio (“IEU-Ohio”) hereby respectfully moves the Public Utilities Commission of Ohio (“Commission”), pursuant to R.C. 4903.221, and Rule 4901-1-11, Ohio Administrative Code (“O.A.C.”), for leave to intervene in the above-captioned matters with the full powers and rights granted by the Commission, specifically by statute or by the provisions of the O.A.C., to intervening parties.

On October 16, 2020, Ohio Power (“AEP-Ohio”) Company filed an Application for Approval of a Green Tariff and Accounting Relief. The Green Tariff, as proposed by AEP-Ohio, would be an optional program where its Standard Service Offer (SSO) customers could purchase Renewable Energy Credits (RECs) from the company in 100-kilowatt (kWh) blocks. AEP-Ohio proposes to charge its SSO customers \$0.90 per 100-kWh block. The resolution of this proceeding could affect renewable compliance issues as well as the cost of renewable mandate compliance. IEU-Ohio’s members includes customers of AEP-Ohio, and as such, could be impacted by AEP-Ohio’s proposal.

As demonstrated further in the Memorandum in Support, IEU-Ohio has a direct, real, and substantial interest in the issues and matters involved in the above-captioned proceeding and is so situated that the disposition of this proceeding may, as a practical matter, impair or impede its ability to protect that interest. IEU-Ohio believes that its participation will not unduly prolong or delay this proceeding and that it will significantly contribute to the full development and equitable resolution of the factual and other issues in this proceeding. The interests of IEU-Ohio will not be adequately represented by other parties to the proceeding and, as such, IEU-Ohio is entitled to intervene with the full powers and rights granted by the Commission, specifically by statute and by the provisions of Commission rules to intervening parties.

Respectfully submitted,

/s/ Matthew R. Pritchard

MEMORANDUM IN SUPPORT

In support of this Motion to Intervene, IEU-Ohio states that it is an association of ultimate customers. A current listing of IEU-Ohio member companies is available on IEU-Ohio's website at <http://www.ieu-ohio.org/member-list>. IEU-Ohio's members purchase substantial amounts of electric and related services from Ohio's electric distribution utilities ("EDU").

IEU-Ohio's members work together to address matters that affect the availability and price of utility services. Additionally, IEU-Ohio seeks to promote customer-driven policies that will assure an adequate, reliable, and efficient supply of energy for all consumers at competitive prices. To this end, IEU-Ohio has worked and will continue to work to produce legislative, regulatory, and market outcomes that are consistent with the State policy contained in R.C. 4928.02.

IEU-Ohio has a real and substantial interest inasmuch as this proceeding may directly or indirectly impact the provision of electric service to IEU-Ohio members' manufacturing facilities. Specifically, IEU-Ohio's direct interest in this proceeding is the

result of the effect that this proceeding shall have upon the price, adequacy, and reliability of the electric supply and related services within Ohio.

Respectfully submitted,

/s/ Matthew R. Pritchard
