RE: Advanced Integrated Services, Inc. – Notice of Abandonment of Certificates of Public Convenience and Necessity and Withdraw of Tariffs

Dear Ms. Green:

Please find attached for filing by Advanced Integrated Technologies, Inc. ("Advanced Integrated" or "the Company") a completed PUCO Telecommunications Filing Form notifying the Commission of its intent to abandon its Certificates of Public Convenience and Necessity ("CPCN") and to withdraw any applicable tariffs on record, effective thirty (30) days after the date of this filing.

Advanced Integrated was granted a CPCN to provide Resold and Facilities-Based Competitive Local Exchange services and long-distance resale services throughout Ohio in Docket No. 03-1923-TP-ACE (10/11/2003). Advanced Integrated asserts that there are no customers whose service would be impacted by this cancellation.

The public convenience and necessity will not be adversely affected by the action described herein. No customer is currently receiving regulated telecommunications services from the Company, and therefore, no customer faces service interruptions or disconnections. Advanced Integrated no longer provides regulated telecommunications services in Ohio and has not offered such services for over a year.

To the best of its knowledge, the Company is current on all reporting and fee remittance obligations.

Thank you for your assistance in this matter. Please do not hesitate to contact me if you have questions or concerns at 407-260-1011 or regulatory@csilongwood.com.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Mark Lammert", is written over a light gray, wavy background element.
