RE: Weathersfield Township's Withdrawal as a Member of the Board of Trumbull County
Commissioners Electric Aggregation Program

Pursuant to Ohio Revised Code 4928.20 and the ballot initiative approved on November 3, 2015, Weathersfield Township ("Township") has decided to conduct governmental aggregation on its own. Therefore, Weathersfield Township hereby notifies the Board of Trumbull County Commissioners (the "County") of its intent to not renew its participation in the County's Electric Aggregation Program and to withdraw from the aggregation group, effective at the conclusion of the current electric generation supply agreement with Energy Harbor. It is our understanding that the current supply agreement expires March 2021. Accordingly, Weathersfield Township will not be participating in any subsequent Trumbull County Electric Aggregation Programs.

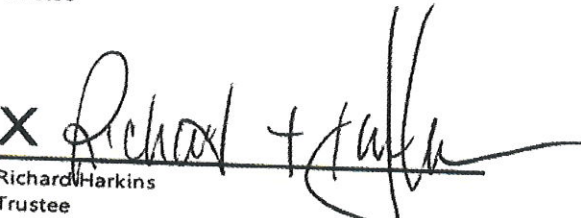

Please notify our Agent, Energy Alliances, Inc. (8469 Blue Ash Road, Suite 1, Cincinnati, OH 45236) of the exact end date of the supply agreement and opt-out term with Energy Harbor so that we may coordinate the transfer of customer accounts to a new aggregation program and certified retail electric supplier in an orderly fashion.

Please do not hesitate to contact Energy Alliances, Inc. if you have any questions.

Respectfully submitted,
