Subject: Ohio Wind Generation project in Huron County

Hello,

I am writing to express in behalf of my family who own a farm on SR 547 outside of Monroeville, Ohio, to reject this wind generation project.

This project is industrial in scope and in essence and has no place in rural Ohio and the residents of the area.

Please pass this on to the powers deciding this issue.

Sincerely,

Heather DeVos in behalf of the DeVos Family

Duncan Wayne & Pamela DeVos, owner of 4191 State Route 547, Monroeville, Ohio
