**RE: In the Matter of the Letter of Notification for the Windsor Extension
(OH) 138 kV Transmission Line Project
Case No 21-173-EL-BLN
Proof of Compliance with O.A.C. 4906-6-07 and 4906-6-08**

Dear Ms. Troupe:

AEP Ohio Transmission Company, Inc. hereby files this proof of compliance with the notice requirements set forth in Rules 4906-6-07 and 4906-6-08 of the Ohio Administrative Code for the above-referenced project applications:

1. In accordance with O.A.C. 4906-6-07(A)(1), AEP Ohio Transmission Company, Inc. served a copy of the Letter of Notification to each required chief executive officer or public agency head on March 9, 2021.
2. In accordance with O.A.C. 4906-6-07(A)(2), AEP Ohio Transmission Company, Inc. served a copy of the Letter of Notification to the main public libraries on March 9, 2021.
3. In accordance with O.A.C. 4906-6-07(A)(3), AEP Ohio Transmission Company, Inc. maintains information on the website for each project as to how to request a copy of the Letter of Notification.
4. In accordance with O.A.C. 4906-6-08(A), AEP Ohio Transmission Company, Inc. published public notices of the Letter of Notification in newspapers of general circulation in the project's area on March 9, 2021.
5. In accordance with O.A.C. 4906-6-08(B), AEP Ohio Transmission Company, Inc. mailed a letter describing the project to each property owner and affected tenant via first class mail on March 9, 2021. The letter met all the requirements of this rule.

Respectfully submitted,

/s/ Tanner S. Wolfram

RE: Letter of Notification
Windsor Extension (OH) 138-kV Transmission Line Project
Case No. 21-0173-EL-BLN

Dear Neighbor,

You are receiving this letter because public records show you own property or live near a proposed power line project.

AEP Ohio representatives announced the Tiltonsville-Windsor 138-kV Transmission Line Project last fall. The project involves:

- Replacing about half a mile of power line on existing structures near Tiltonsville, Ohio
- Adding about 4.5 miles of power line parallel to existing wires on structures between Tiltonsville, Ohio, and Windsor Heights, West Virginia
- Adding five structures between Tiltonsville, Ohio and Windsor Heights, West Virginia

As the project continues to develop, AEP Ohio representatives have identified a need to rebuild 0.4 miles of power line through Warren Township to the Ohio River north of Rayland. Plans call for replacing the line's 100-year-old towers and replacing the existing wires with larger wires to meet the area's increasing electricity demand. Construction on this 0.4 mile-section of power line begins this fall and concludes spring 2022.

AEP Ohio representatives have filed a Letter of Notification for this component of the project with the Ohio Power Siting Board (OPSB) as the Windsor Extension (OH) 138-kV Transmission Line Project, Case No. 21-0173-EL-BLN.

Please see Page 3 of this document for key regulatory information.

You may provide comments by:

- Calling Joe Demaree at (380) 205-5046.
- Sending an email to jkdemaree@aep.com.
- Sending your comments directly to the OPSB at 180 East Broad Street, Columbus, Ohio, 43215-3793. You may also contact the OPSB at (866) 270-6772 or contactopsb@puc.state.oh.us. (Note: You can file petitions to intervene in the OPSB process to the siting board up to 10 days following the public notice announcing the project).

In December 2020 we filed a Letter of Notification for a separate section of the power line with the OPSB as the Windsor Junction-Tiltonsville 138 kV Conductor Project, Case No. 20-1735-EL-BLN.

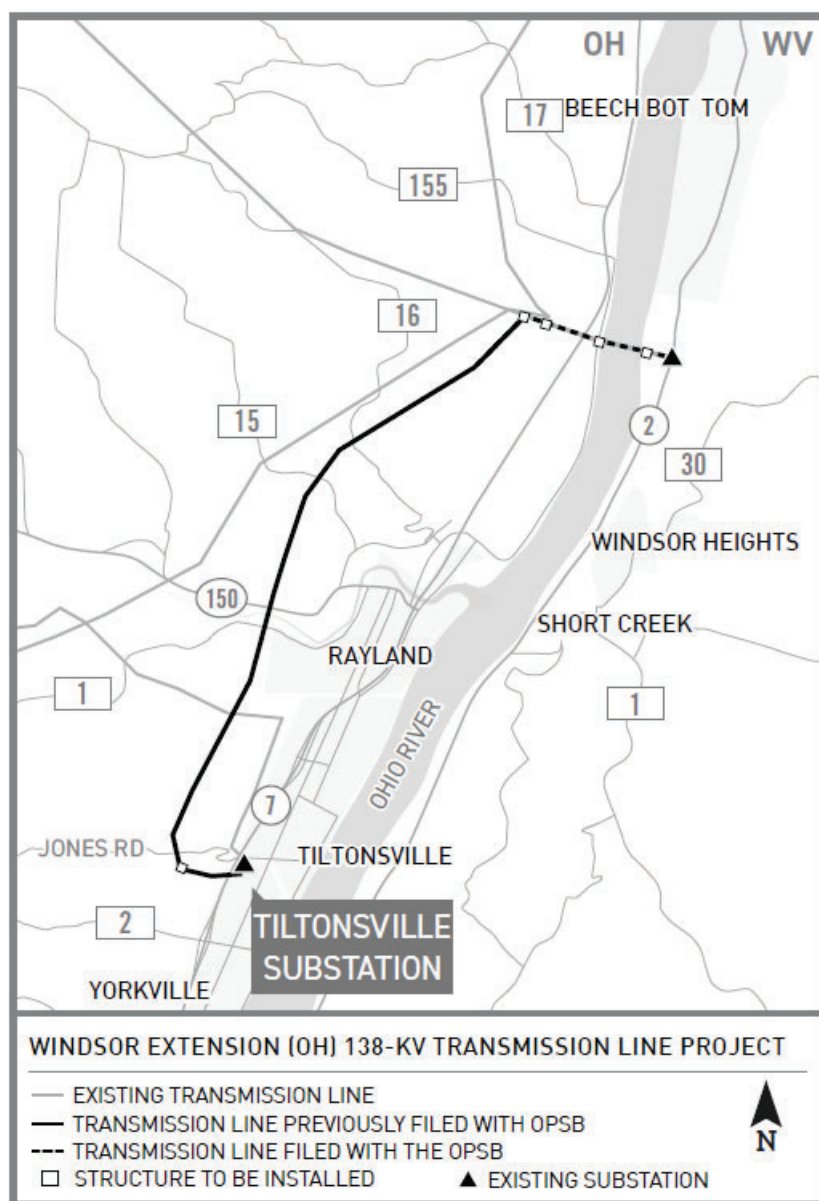

The following map shows the project area. Please use this map only as a general guide due to its reduced scale and limited detail.

Feel free to contact me and I would be happy to answer any questions about this project.

Sincerely,

Joe Demaree

Windsor Extension (OH) 138-kV Transmission Line Project Regulatory Information Q&A

Representatives of AEP Ohio Transmission Company, Inc., (AEP Ohio Transco) have prepared and filed a Letter of Notification to the State of Ohio Power Siting Board (OPSB) for this proposed project. We must complete this filing when we make certain changes to our transmission facilities, according to Rule 4906-6-01, et. seq., of the Ohio Administrative Code.

What is the name and docket number for this project filing?

The company has filed this project with the OPSB as the Windsor Extension (OH) 138-kV Transmission Line Project Case No. 21-0173-EL-BLN.

What happens now that the letter has been filed?

The Letter of Notification to construct, operate and maintain this facility awaits review by the OPSB.

Where can I find physical copies of the Letter of Notification?

Copies of the actual Letter of Notification, including specific details about the location and construction, are available for public inspection at the following locations:

- **Public Library of Steubenville and Jefferson County**, 4141 Mall Drive, Steubenville, Ohio, 43952
- **Ohio Power Siting Board**, 180 East Broad Street, Columbus, Ohio, 43215-3793
(866) 270-6772
contactopsb@puc.state.oh.us

Where can I find electronic copies of the Letter of Notification?

Electronic versions of the Letter of Notification are available at <http://www.aeptransmission.com/ohio/> and at the OPSB website at <http://opsb.ohio.gov>. Search under current cases for Case No. 21-0173-EL-BLN.

RE: Letter of Notification
Windsor Extension (OH) 138-kV Transmission Line Project
Case No. 21-0173-EL-BLN

Dear «ADDRESSEE»:

You are receiving this letter because we wanted to update you on a proposed electric transmission project in your area.

AEP Ohio representatives announced the Tiltonsville-Windsor 138-kV Transmission Line Project last fall. The project involves:

- Replacing about half a mile of power line on existing structures near Tiltonsville, Ohio
- Adding about 4.5 miles of power line parallel to existing wires on structures between Tiltonsville, Ohio, and Windsor Heights, West Virginia
- Adding five structures between Tiltonsville, Ohio and Windsor Heights, West Virginia

As the project continues to develop, AEP Ohio representatives have identified a need to rebuild 0.4 miles of power line through Warren Township to the Ohio River north of Rayland. Plans call for replacing the line's 100-year-old towers and replacing the existing wires with larger wires to meet the area's increasing electricity demand. Construction on this 0.4 mile-section of power line begins this fall and concludes spring 2022.

We filed a Letter of Notification for this component of the project with the Ohio Power Siting Board (OPSB) as the Windsor Extension (OH) 138-kV Transmission Line Project, Public Utilities Commission of Ohio Case No. 21-0173-EL-BLN. Please see the attached Letter of Notification, which we must submit to the OPSB when we make certain changes to our transmission facilities. The submission complies with Rule 4906-6-01, et. seq., of the Ohio Administrative Code.

The Letter of Notification to construct, operate and maintain this facility awaits review by the OPSB. Please make this Letter of Notification available to the public. We are also communicating with landowners in the project area.

In December 2020 we filed a Letter of Notification for a separate section of the power line with the OPSB as the Windsor Junction-Tiltonsville 138 kV Conductor Project, Case No. 20-1735-EL-BLN.

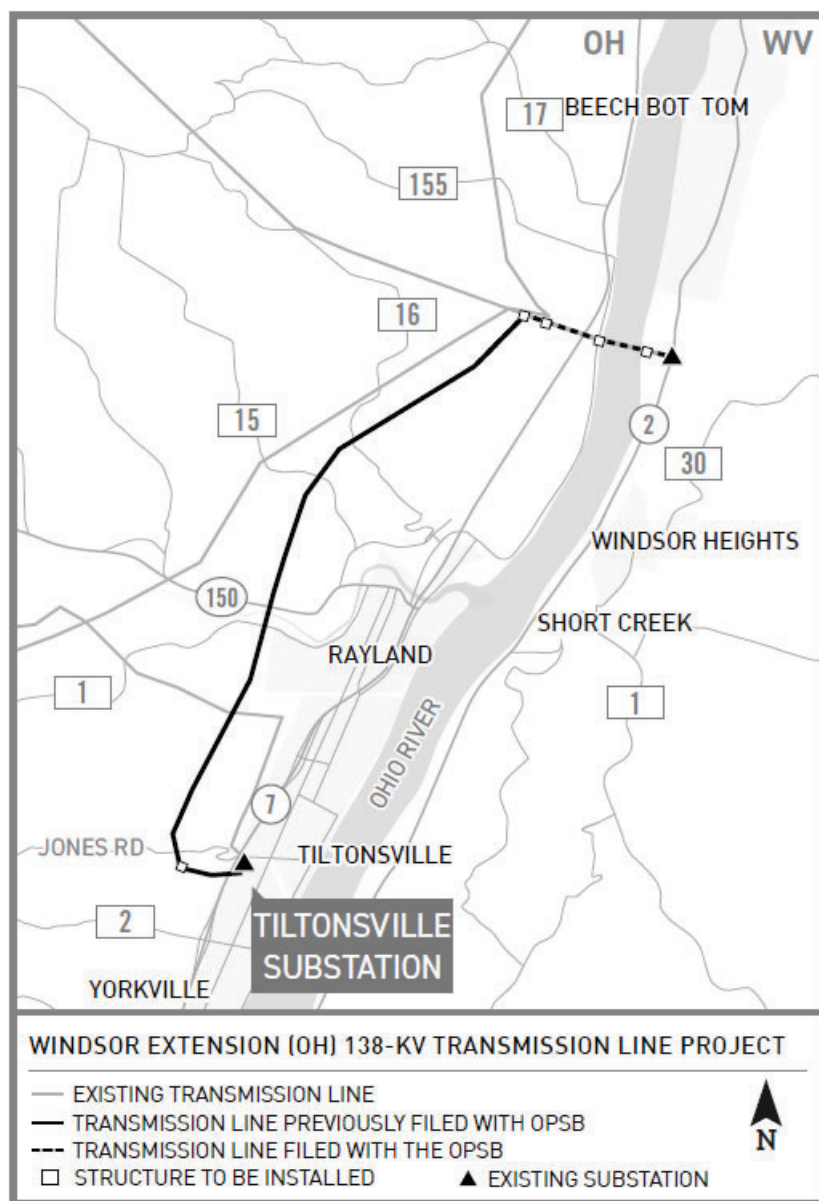

The following map shows the project area. Please use this map only as a general guide due to its reduced scale and limited detail.

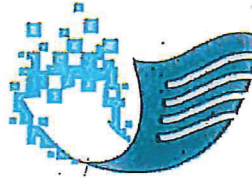

Please contact me at (380) 205-5046 or jkdemaree@aep.com if you would like an electronic copy of the Letter of Notification or if you have any questions about this project.

Sincerely,

Joe Demaree

Bluegrass music and dinner offered March 20 at Sycamore

STEUBENVILLE — Bluegrass gospel will be the order of the evening when the Sycamore Youth Center, 301 N. Fourth St., hosts a dinner and concert March 20.

Williamson Branch will be featured in concert with Faire May, the 2020 overall winners of the Valley's

center.com/tickets or eventbrite.com. The cost for dinner and a general admission ticket is \$35, and it is \$50 for dinner and an artist's circle ticket.

For the concert only, a general admission ticket is \$10 and for an artist's circle ticket, \$35.

The dinner before the main concert will feature a music concert from Americana/Irish Folk Group Faire May from Wheeling. Williamson Branch also will also sing a few songs at the dinner as well as the girls from the group will clog dance. After the dinner, Williamson Branch will perform a full concert in the sanctuary.

The website of Williamson Branch notes "... For Williamson Branch, music and family have been melding for three generations. Despite a varied background that incorporates bluegrass, country, gospel and dance, this family band are traditionalists in every sense, carrying on a sound that springs from the very roots those archival styles imply."

Their single, "Blue Moon Over Texas," made the No. 1 spot on the RMR Bluegrass Chart for five weeks and garnered the band the award for 2020 Valley Star Family Vocal Group of the Year. They've appeared on hundreds of stages over the last six years, including, the Ryman Auditorium in Nashville, Bluegrass First Class in Asheville, N.C., Thomas Point Beach Bluegrass Festival, Brunswick, Maine, the Central Canadian Bluegrass Awards and Bill Gaither's Fall Homecoming.

Williamson Branch's last two recordings for Pinecastle Records have elicited "rave reviews" while their social media following has grown to nearly 300,000 bolstered by several videos with millions and millions of views.

Wellsburg church offering free soup in an outreach pick-me-up gesture

WELLSBURG — Members of Community of Christ Church, at 26th Street, are continuing to offer free soups to anyone in what they see as a pick-me-up in a time when many are dealing with the pandemic in various ways.

"It's been such a terrible year. We wanted to do something to lift people's spirits," said Bettie Lallone, the church's pastor, who said the soup distribution came after much thought about how the church could aid and support the community while following guidelines aimed at preventing the spread of COVID-19.

Lallone said church members and supporters provide from 175 to 200 16-ounce containers of assorted soups, with the next distributions to be held at 11 a.m. March 25 and April 22.

The supply of soup at the church's Feb. 25 distribution was depleted in about 30 minutes, and soup-seekers are encouraged to arrive early, said Lallone as she and her sister, Pam Simakis, folded

"We wanted to do something to lift people's spirits."

— Bettie Lallone, pastor, Community of Christ Church in Wellsburg

up a card table for the soup in the church's parking lot.

"You feel so bad when you send them away," said Lallone.

She is among a few who have been staffing the table, but she is quick to note the biggest job of preparing the assorted soups, which have ranged from chicken noodle to chili, is done by the church's small but dedicated congregation and their family and friends.

Lallone said it's a task that was welcomed by many who have felt somewhat isolated during the pandemic.

She said the soup is offered to everyone, not only those with financial difficulties, and it's not a fundraiser for the church.

"People sometimes want to give

us money, and we try to turn it down, because that's not what this is about," Lallone said.

She said the soup and containers have been donated by members and others, so there's no direct cost to the church itself.

While Lallone and her congregation plan to end the soup distributions in the spring, figuring there's not as much demand for it in warmer weather, they haven't ruled out distributing some other kind of food through the summer.

She said whatever happens then, "We're definitely going to start it back up in September."

There also are plans to add a "blessing box" containing personal care products for those in need outside the church. Each fall the church normally collects new socks for the homeless in the month they have renamed Socktober.

Currently the congregation isn't meeting for in-person worship to adhere with the wishes of national church leaders who want to prevent the virus' spread.

Promising results lead to expansion of AIM program in Indian Creek Local School District

WINTERSVILLE — Promising results from a newly implemented program have led to an expansion to help even more youth within the Indian Creek Local School District.

Accept Identify Move, or AIM, was implemented at Indian Creek Middle School during the past year by Michelle Duprey-Anderson, the district's board-certified behavior analyst, to help students identify what matters to them and behave accordingly to move toward those goals.

The curriculum is based on a concept by Mark Dixon and Dana Pailinas and uses the principles of applied behavior analysis, mindfulness and acceptance and commitment therapy to attain positive outcomes.

"We started with a pilot group at Indian Creek Middle School in the fall. When we looked at the data, we saw a significant decrease

in discipline referrals for participants in the AIM group," said Duprey-Anderson. "We decided to add groups in the middle school, to target problem behavior and social skills, and we also introduced the program at the elementary level."

Groups were added at Wintersville and Hills Elementary School, and she meets with small teams on a weekly basis. The ICMS students select and track their own behavior while teachers are more directly involved in the data collection process at the elementary level. As they meet their goals, students also earn points which can be used at a "rewards store."

In 2019, the district became an educational leader in Jefferson County by adding a BCBA to address behavioral needs of students and support staff while implementing interventions in the classroom. Since then, officials have seen a

significant improvement in individual student behaviors when a comprehensive plan was developed between the DCBA and district staff.

Duprey-Anderson commented that AIM also was helping students make great strides, and although it is a relatively new curriculum, it will likely continue to gain momentum across the country in academic settings. She also thanked the district for supporting the program.

"The exciting thing for me is that during this time when we are already trying to problem solve so many different barriers (with COVID), the administration and teachers were willing to get on board with this new idea and support the program," she concluded. "It speaks to the district's willingness to do what it takes for the kids in all circumstances."

NOTICE OF PROPOSED MAJOR UTILITY FACILITY

The Windsor Extension (OH) 138-kV Transmission Line Project

AEP Ohio representatives plan transmission line upgrades to improve electric reliability for customers in Jefferson County, Ohio.

The Tiltonville-Windsor 138-kV Transmission Line Project includes:

- Replacing about half a mile of power line on existing structures near Tiltonville, Ohio
- Adding about 4.5 miles of power line parallel to existing wires on structures between Tiltonville, Ohio, and Windsor Heights, West Virginia
- Adding five structures between Tiltonville, Ohio and Windsor Heights, West Virginia

As the project continues to develop, AEP Ohio representatives plan to rebuild 4 miles of power line through Warren Township, Jefferson County to the Ohio River north of Rayland. The 100-year-old towers cannot handle the larger conductor needed to meet the area's growing demand. Construction on this section of the power line begins this fall and concludes spring 2022.

AEP Ohio representatives filed a Letter of Notification with the Ohio Power Siting Board (OPSB) as the Windsor Extension (OH) 138-kV Transmission Line Project, Case No. 21-0173-EL-BLN. The Letter of Notification to construct, operate and maintain this facility awaits review by the OPSB.

Company representatives filed a Letter of Notification for a separate component of the project with the OPSB as the Windsor Junction-Tiltonville 138 kV Conductor Project, Case No. 20-1735-EL-BLN in December.

The OPSB accepts motions to intervene in the Letter of Notification up to 10 days following the publication date of this notice. The requirements to intervene can be found in Rule 4906-2-12 of the Ohio Administrative Code. Please address motions to Ohio Power Siting Board, 180 E. Broad Street, Columbus, Ohio, 43215-3793 and cite Case No. 21-0173-EL-BLN. The accompanying map shows the project area. Please use this map only as a general guide due to its reduced scale and limited detail. Copies of the actual Letter of Notification, including specific details about the location and construction, are available for public inspection at the following locations:

Public Library of Steubenville and Jefferson County, 4141 Mall Drive, Steubenville, OH 43952
Ohio Power Siting Board, 180 E. Broad St., Columbus, Ohio, 43215-3793, (866) 270-6772, contactopsb@psc.state.oh.us

Electronic versions of the Letter of Notification are available at <http://www.aeptransmission.com/ohio/> and at the OPSB website at <http://opsb.ohio.gov>. Search under current cases for Case No. 21-0173-EL-BLN.

The following local city and county government officials have been served with a copy of the application as required by OPSB regulations:

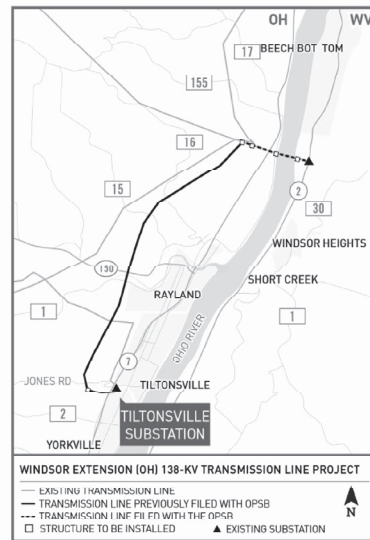

Jefferson County Board of Commissioners, Mr. David Maple
Jefferson County Board of Commissioners, Mr. Tom Gentile
Franklin County Soil & Water Conservation District, Ms. Irene Moore
Warren Township Trustee, Mr. Daniel Meeker
Warren Township Fiscal Officer, Mr. Robert Fetty

Jefferson County Board of Commissioners, Mr. Thomas Graham
Jefferson County Engineer, Mr. James F. Branagan, P.E., P.S.
Warren Township Trustee, Mr. Larry DeLuca
Warren Township Trustee, Mr. Carl Sgalla
Village of Rayland Mayor, Ms. Tammy Morelli

If you are a local city or county government official and would like an electronic or hard copy of the Letter of Notification, please contact Joe Demaree at the information listed below.

To ask a question or make a comment about the project, please call (380) 205-5046 or send an email inquiry to jkdemaree@aep.com. Send mail inquiries to the following address:
