Re: Case No. 20-1624-GA-RDR

Dear Judge See:

On April 1, 2021, East Ohio Gas Company d/b/a Dominion Energy Ohio (“DEO”) filed a statement informing the Public Utilities Commission of Ohio (“PUCO” or “Commission”) that the issues raised in the comments had been resolved.

In its Comments filed March 23, 2021, the Staff of the PUCO (“Staff”) recommended approval of DEO’s Application to adjust its Automated Meter Reading (AMR) Cost Recovery Charge, subject to the proposed modification that DEO track and reconcile a reconciliation component as part of the revenue requirement in next year’s AMR Application, given that the revenue requirement of \$(58,259.16) results in a rider rate of \$0.00. The Staff noted that without this reconciliation, customers will not receive the amounts owed to them.

The Staff and DEO have resolved the issue regarding the timing of the AMR reconciliation. The Staff and DEO agree that DEO shall incorporate a reconciliation component in the AMR Cost Recovery Charge in future AMR filings, starting with next year’s filing with respect to recovery of 2021 AMR costs.

Respectfully submitted,

/s/ Chelsea R. Fletcher
