Re: In the Matter of the Application of Hecate Energy Highland 4, LLC's Application for a Certificate of Environmental Compatibility and Public Need to Construct a Solar-Powered Electric Generating Facility in Clay and Whiteoak Townships in Highland County, Ohio Case No. 20-1288-EL-BGN/Compliance with Condition #6 Regarding Required Permits and Authorizations

Dear Ms. Troupe:

On March 18, 2021, Hecate Energy Highland 4, LLC ("Hecate Energy") was issued a certificate of environmental compatibility and public need ("Certificate") by the Ohio Power Siting Board ("Board") to construct a 65 MW solar-powered electric generating facility in Clay and Whiteoak Townships, Highland County, Ohio. The Certificate was issued subject to twenty three (23) conditions.

At this time, Hecate Energy is confirming that it has obtained the required drive-way permits from the Highland County Engineer for its construction activity, consistent with Condition #6. Each of the Drive-Way Permit approvals are provided as attachments.

With this filing, Hecate Energy will have complied with Conditions #6 of the Certificate. If you have questions or need additional information, please do not hesitate to call.

Very truly yours,

Karen A. Winters
