Mr. Buter,

Thank you for your time and your consideration. My family and I recently settled in Highland County, specifically near Mowrystown, after being a dual active duty Air Force family for 28 years. For the past 2 years, I commuted from Mowrystown to Wright-Patterson AFB and back, nearly an hour and a half on either side of a 12-hour nursing shift. We don't have family ties to the area. We just liked the culture of the area. We liked the aura of the community. If we had known about the solar panel projects in the area, we would have reconsidered our investment here.

As a representative of the community, please consider the choices that are being made and how they will affect the future of your community. Don't you want others to continue to call it their community also?

Thanks,

Michele L. Bortvit, Capt, USAF, NC, Ret  
Billy J. Bortvit, MSgt, USAF, Ret
