Joint Motion to Modify Procedural Schedule

Pursuant to Rule 4901-1-13, Ohio Administrative Code, Plaintiff Double K Kirby Farms and Defendant Ohio Edison Company move to extend the remaining deadlines, in the December 23, 2020 Entry, including the evidentiary hearing date, by approximately thirty (30) days. The parties propose the following new dates:

- A. Parties should file testimony by June 21, 2021.
- B. A prehearing conference and technology session is scheduled for June 30, 2021, at 10:00 a.m.
- C. The evidentiary hearing shall commence on July 8, 2021, at 10:00 a.m.

This motion is not being made for purposes of delay; instead, Defendant Ohio Edison Company recently retained new counsel, and new counsel has scheduling conflicts with the prehearing and hearing dates. In light of the above factors, the parties jointly seek this extension of the remaining deadlines, including the hearing date, in order to take into account the time needed for new counsel to familiarize himself with the case, and to accommodate new counsel's scheduling conflicts. Wherefore, the parties respectfully request this Motion is granted and the procedural schedule is modified in accordance with the proposed dates listed above.

Respectfully Submitted,
