***Re: Filing of Final Tariff Pages - Exhibit B:
Revisions to Cox Access Tariff of Cox Ohio Telcom, LLC
(Case No. 21-0720-TP-ATA; Case No. 90-9361-TP-TRF)***

Attention: Docketing Division

Pursuant to PUCO Staff recommendation of approval issued on June 30, we are submitting a revised Exhibit B with our **approved and finalized tariff pages reflecting our issue date of July 1.**

Per the information in our previous submission, this filing is submitted in compliance with the **Federal Communication Commission's October 9, 2020, 8YY Access Reform WC Docket No. 18-156 Report and Order** that requires carriers to establish their 8YY originating rates for intrastate access minutes of use equal to the 8YY originating rates for interstate access minutes of use as provided in Cox Communications Tariff FCC No. 4. The Order further requires carriers to make reductions to their 800 data base query rates.

We respectfully request that this new, finalized Exhibit B, submitted today, replace our Amended Exhibit B previously filed on June 25.

Your assistance in this matter is greatly appreciated. Please contact me if you have questions regarding the tariff revisions.

Respectfully submitted,

Cox Ohio Telcom, LLC
