Subject: Republic Wind Project

Matt,

A few minutes ago, I received a phone call from a member of the Seneca Anti-Wind Union. I was told that Apex is claiming that I am in support of their Republic Wind Project. This is absolutely false!

I do not now and never have been in support of Apex Wind for their desire to construct the Republic Wind Project, nor do I support any other wind turbine projects proposed by Apex for Seneca County.

Please enter this letter and make my comments a part of the public comments for Republic Wind that Jan M. SAMPSON 6305 S. Township Road 151, Tiffin, OH 44883 DOES NOT SUPPORT APEX OR THE REPUBLIC WIND PROJECT. I appreciate your help in making this a part of the public comments so that APEX is correctly informed about my position in this regard.

Thank you,

Jan M. Sampson
6305 S. (Eden) Township Road 151
Tiffin, OH 44883
