Notice of Proposed Major Utility Facility

FACILITY DESCRIPTION

Juliet Energy Project, LLC (Juliet or Juliet Solar) proposes to construct and operate a 101 megawatt (MW) solar energy project in Weston and Milton Townships, Wood County, Ohio. The Facility will be located within approximately 670 acres of private land in Weston Township, Milton Township, and the Village of Weston in Wood County (the Project Area). The Facility will consist of photovoltaic (PV) panels, along with access roads, electric collection lines, a collection substation, a short generation interconnection (gen-tie) line (approximately 50 feet), a laydown area for construction staging, an operation and maintenance (O&M) building, and pyranometers. The energy generated at the Facility will be delivered to American Transmission System Inc.'s (ATSI) Weston 69 kV substation, located immediately to the north of the planned Facility substation location in Milton Township. Construction of the project is anticipated to begin no sooner than the Spring of 2022.

LOCATION AND GENERAL LAYOUT

The general location and planned project layout of Juliet Solar are shown on the map below:

APPLICATION NOW PENDING

Juliet has an Application pending before the Ohio Power Siting Board. The assigned docket number for the Application is Case No. 20-1760-EL-BGN, and copies of all filings in the case can be located at the Ohio Power Siting Board website at (<http://www.opsb.ohio.gov>) by scrolling down to “Pending Cases” and selecting the case by name or docket number. DATE, TIME, AND LOCATION OF PUBLIC HEARING

The public hearing for this case shall consist of two parts and will be held in person. Consistent with CDC Guidelines and the May 17, 2021 Ohio Department of Health Order, unless otherwise specified by the facility, individuals who are not fully vaccinated should continue to wear a face covering and socially distance. Please contact the legal department at 614-466-6843 to ask any questions or request accommodations related to health protocols.

- 1. A local public hearing, pursuant to R.C. 4906.08(C), where the Board shall accept oral and written testimony from members of the public who are not parties to the case, on Wednesday, September 8, 2021, in a session beginning at 6:00 p.m.**

The local public hearing in this matter will be held on **Wednesday, September 8, 2021, at 6:00 p.m.**, at the Simpson Banquet Room, 1291 Conneaut Avenue, Bowling Green, Ohio 43402. For those individuals interested in testifying at the in-person local public hearing, a sign-in sheet will be available at the facility and witnesses will be taken in the order in which they register to testify. If individuals wish to supplement their testimony with an exhibit for the OPSB’s consideration, a copy of the document should be provided to the Administrative Law Judge (ALJ) during the local public hearing. Testimony to be provided will be limited to five minutes in duration.

- 2. An adjudicatory hearing commencing on Wednesday, September 22, 2021, at 10:00 a.m.**

The adjudicatory hearing will commence on **Wednesday, September 22, 2021, at 10:00 a.m.** at the offices of the Public Utilities Commission of Ohio (PUCO), Hearing Room 11- C, 11th Floor, 180 East Broad Street, Columbus, Ohio 43215-3793. The parties should register at the lobby desk and then proceed to the 11th floor to participate in the hearing. Any accommodations necessary to ensure availability of social distancing and plexiglass dividers should be made in advance of the hearing. As pandemic restrictions are evolving, additional instructions regarding further safety requirements or accommodations for the hearing room will either be posted on the PUCO/OPSB website or communicated to the parties.

OPPORTUNITY TO COMMENT ON PROPOSED FACILITY

The public will be given an opportunity to comment on the proposed facility. As noted above, the local public hearing will be held on **Wednesday, September 8, 2021, in a session beginning at 6:00 p.m.**
