**Re: Air Voice Wireless, LLC; Case No. 13-952-TP-UNC
Notice of Addition of T-Mobile USA, Inc. as an underlying carrier**

To Whom It May Concern:

The Public Utilities Commission of Ohio ("Commission") entered an Order on May 28, 2014 designating Air Voice Wireless, LLC ("Air Voice") as an Eligible Telecommunications Carrier ("ETC"). The Order did not define the ETC service area, except for stating "The service area requested in the application is statewide in scope, subject to the existence of Air Voice's underlying carrier's facilities and corresponding coverage."

Since designation, Air Voice has been providing wireless Lifeline service to eligible Ohio customers utilizing the AT&T wireless network. By this letter, Air Voice hereby notifies the Commission that it is adding T-Mobile USA, Inc. ("T-Mobile") as an additional underlying carrier. All existing rates, terms, and conditions of Air Voice's Lifeline service will apply.

If you have any questions or if I may provide you with any additional information, please do not hesitate to contact me.

Respectfully submitted,

s/ Lance J.M. Steinhart
