DOCKETING CASE #: 20-0585-EL-AIR

SUBJECT: Ohio Power Company - Protest Rate Case

CUSTOMER COMMENT:

"As a public entity relying on taxpayer dollars, we do not have the ability to raise our revenue to offset such a large increase in the distribution electricity rates. We have already reduced staffing and other expenses to offset flat funding over the past several years so we are not able to reduce our expenditures without cutting valuable programs/services to the students. We do not support such a large distribution rate increase that is being requested."
