

DIS Case Number: 19-1422-EL-AGG

Section A: Application Information

Section B: Applicant Managerial Capability and Experience

Section C: Applicant Financial Capability and Experience

Section D: Applicant Technical Capacity

D-1. Operations

Power brokers/aggregators: Include details of the applicant's business operations and plans for arranging and/or aggregating for the supply of electricity to retail customers.

Operations Description: Quick Energy Solutions, LLC has contracts with electric suppliers: Direct Energy, Hudson Energy, Nordic Energy, Engie Energy and Public Power. Quick Energy Solutions has many clients in the state of Ohio. We are renewing our clients with electric supplier that came back with the lowest rate for next term. We are sending contracts by fax, email or mail. Quick Energy Solutions will for client protection and certainty send a copy of his/her original agreement with new proposal, so they know it is truly us. We do not do TPV.

D-2. Operations Expertise & Key Technical Personnel

Given the operational nature of the applicant's business, provide evidence of the applicant's experience and technical expertise in performing such operations. Include the names, titles, e-mail addresses, and background of key personnel involved in the operations of the applicant's business.

Operations Expertise & Personnel Description: Quick Energy Solutions got flowcharts, processes, savings analysis charts, and operational diagrams that impress even the largest clients we deal with. We are here for one purpose, to help clients control their energy costs but also other expenditures most do not know about as well as show you several sustainable solutions that are proven. With the energy crisis's we are facing on our planet a lot of our clients need a system that works for them individually. Let the experts at Quick Energy Solutions show client the way to reduce costs and raise his profits without ever affecting the quality of client company valued product today.
