Section B: Applicant Managerial Capability and Experience

B-1. Jurisdiction of operations

List all jurisdictions in which the applicant or any affiliated interest of the applicant is certified, licensed, registered or otherwise authorized to provide retail natural gas service or retail/wholesale electric service as of the date of filing the application..

File Attached

B-2. Experience and plans

Describe the applicant's experience in providing the service(s) for which it is applying (e.g., number and type of customers served, utility service areas, amount of load, etc.). Include the plan for contracting with customers, providing contracted services, providing billing statements and responding to customer inquiries and complaints in accordance with Commission rules adopted pursuant to Sections 4928.10 and/or 4929.22 of the Ohio Revised Code.

Application Experience and Plan Description: Premier Power Solutions, LLC intends to contract with commercial, industrial, and governmental entities to provide electricity consulting and brokerage services. Premier Power Solutions will primarily use direct mail and phone calls to individual businesses as the means for contacting customers.

After the initial contact is made, a Premier Power Solutions representative will usually go to the place of business of the prospect and meet with them to discuss the service offerings of Premier. We have a simple consulting agreement that we ask the customer to sign at the time that we meet with them. Premier provides brokerage services for energy, but does not provide billing statements to our customers.

Premier receives a brokerage fee from the supplier for our services that is built into the price which the customer pays to the supplier for their energy. The fee that is charged will vary, but will be disclosed to the end customer. If the customer does not elect to enter an energy contract that we recommend with a competitive energy supplier, Premier will receive no fees for the work performed for the customer.

B-3. Disclosure of liabilities and investigations

For the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant, describe all existing, pending or past rulings, judgments, findings, contingent liabilities, revocation of authority, regulatory investigations, judicial actions, or other formal or informal notices of violations, or any other matter related to competitive services in Ohio or equivalent services in another jurisdiction..

Liability and Investigations Disclosures: Premier Power Solutions has no pending or past rulings, judgements, contingent liabilities, and revocations of authority, regulatory investigations, or any other matter that could adversely impact our financial or operational status or ability to provide the services it is seeking to be certified to provide

B-4. Disclosure of consumer protection violations

Has the applicant, affiliate, predecessor of the applicant, or any principal officer of the applicant been convicted or held liable for fraud or for violation of any consumer protection or antitrust laws within the past five years?

No

B-5. Disclosure of certification, denial, curtailment, suspension or revocation

Has the applicant, affiliate, or a predecessor of the applicant had any certification, license, or application to provide retail natural gas or retail/wholesale electric service denied, curtailed, suspended, revoked, or cancelled or been terminated or suspended from any of Ohio's Natural Gas or Electric Utility's Choice programs within the past two years?

No

Section C: Applicant Financial Capability and Experience

C-1. Financial reporting

Provide a current link to the most recent Form 10-K filed with the Securities and Exchange Commission (SEC) or upload the form. If the applicant does not have a Form 10-K, submit the parent company's Form 10-K. If neither the applicant nor its parent is required to file Form 10-K, state that the applicant is not required to make such filings with the SEC and provide an explanation as to why it is not required.

Does not apply

C-2. Financial statements

Provide copies of the applicant's two most recent years of audited financial statements, including a balance sheet, income statement, and cash flow statement. If audited financial statements are not available, provide officer certified financial statements. If the applicant has not been in business long enough to satisfy this requirement, provide audited or officer certified financial statements covering the life of the business. If the applicant does not have a balance sheet, income statement, and cash flow statement, the applicant may provide a copy of its two most recent years of tax returns with **social security numbers and bank account numbers redacted**.

If the applicant is unable to meet the requirement for two years of financial statements, the Staff reviewer may request additional financial information.

Links to Financial Statement(s): Premier Power Solutions, LLC's does not prepare stand-alone audited financial statements but is included in the audited financial statement of its ultimate parent company. NextEra Energy, Inc., Premier's ultimate parent company, 2020 Annual Report:
<http://www.investor.nexteraenergy.com/reports-and-filings/annual-reports>

C-3. Forecasted financial statements

Provide two years of forecasted income statements **based solely on the applicant's anticipated business activities in the state of Ohio**.

Include the following information with the forecast: a list of assumptions used to generate the forecast; a statement indicating that the forecast is based solely on Ohio business activities

only; and the name, address, email address, and telephone number of the preparer of the forecast.

The forecast may be in one of two acceptable formats: 1) an annual format that includes the current year and the two years succeeding the current year; or 2) a monthly format showing 24 consecutive months following the month of filing this application broken down into two 12-month periods with totals for revenues, expenses, and projected net incomes for both periods. Please show revenues, expenses, and net income (revenues minus total expenses) that is expected to be earned and incurred in **business activities only in the state of Ohio** for those periods.

If the applicant is filing for both an electric certificate and a natural gas certificate, please provide a separate and distinct forecast for revenues and expenses representing Ohio electric business activities in the application for the electric certificate and another forecast representing Ohio natural gas business activities in the application for the natural gas certificate.

Preferred to file confidentially

C-4. Credit rating

Provide a credit opinion disclosing the applicant's credit rating as reported by at least one of the following ratings agencies: Moody's Investors Service, Standard & Poor's Financial Services, Fitch Ratings or the National Association of Insurance Commissioners. If the applicant does not have its own credit ratings, substitute the credit ratings of a parent or an affiliate organization and submit a statement signed by a principal officer of the applicant's parent or affiliate organization that guarantees the obligations of the applicant. If an applicant or its parent does not have such a credit rating, enter 'Not Rated'.

This does not apply

C-5. Credit report

Provide a copy of the applicant's credit report from Experian, Equifax, TransUnion, Dun and Bradstreet or a similar credit reporting organization. If the applicant is a newly formed entity with no credit report, then provide a personal credit report for the principal owner of the entity seeking certification. At a minimum, the credit report must show summary information and an overall credit score. **Bank/credit account numbers and highly sensitive identification information must be redacted.** If the applicant provides an acceptable credit rating(s) in response to C-4, then the applicant may select 'This does not apply' and provide a response in the box below stating that a credit rating(s) was provided in response to C-4.

File(s) attached

C-6. Bankruptcy information

Within the previous 24 months, have any of the following filed for reorganization, protection from creditors or any other form of bankruptcy?

- Applicant
- Parent company of the applicant
- Affiliate company that guarantees the financial obligations of the applicant
- Any owner or officer of the applicant

No

C-7. Merger information

Is the applicant currently involved in any dissolution, merger or acquisition activity, or otherwise participated in such activities within the previous 24 months?

No

C-8. Corporate structure

Provide a graphical depiction of the applicant's corporate structure. Do not provide an internal organizational chart. The graphical depiction should include all parent holding companies, subsidiaries and affiliates as well as a list of all affiliate and subsidiary companies that supply retail or wholesale electricity or natural gas to customers in North America. If the applicant is a stand-alone entity, then no graphical depiction is required, and the applicant may respond by stating that it is a stand-alone entity with no affiliate or subsidiary companies.

Section D: Applicant Technical Capacity

D-1. Operations

Retail natural gas brokers/aggregators: Include details of the applicant's business operations and plans for arranging and/or aggregating for the supply of natural gas to retail customers.

Operations Description: Premier Power Solutions, LLC has provided energy management, brokerage, and consulting services to over 3,000 government, commercial, industrial, non-profit, and educational clients for over 10 years. Premier provides these same services to customers in Ohio under arrangements where a brokerage fee is included in the price that the customer pays, and Premier will receive its compensation directly from the supplier for service rendered. No other services are being offered or will be offered to Ohio customers.

D-2. Operations Expertise & Key Technical Personnel

Given the operational nature of the applicant's business, provide evidence of the applicant's experience and technical expertise in performing such operations. Include the names, titles, e-mail addresses, and background of key personnel involved in the operations of the applicant's business.

No Fraud Risk Score is Available

The scores and ratings included in this report are designed as a tool to assist the user in making their own credit related decisions, and should be used as part of a balanced and complete assessment relying on the knowledge and expertise of the reader, and where appropriate on other information sources. The score and rating models are developed using statistical analysis in order to generate a prediction of future events. Dun & Bradstreet monitors the performance of thousands of businesses in order to identify characteristics common to specific business events. These characteristics are weighted by significance to form rules within its models that identify other businesses with similar characteristics in order to provide a score or rating.

Dun & Bradstreet's scores and ratings are not a statement of what will happen, but an indication of what is more likely to happen based on previous experience. Though Dun & Bradstreet uses extensive procedures to maintain the quality of its information, Dun & Bradstreet cannot guarantee that it is accurate, complete or timely, and this may affect the included scores and ratings. Your use of this report is subject to applicable law, and to the terms of your agreement with Dun & Bradstreet.

Mrs. Maxwell joined Premier Power Solutions, LLC, in February, 2007 and has served as the Customer Service Manager. Her primary duties include interacting with the sales team and support staff within Premier Power, as well as working with customers to handle any customer service issues that may arise relating to their energy contracts. Relationships with members of state and local government are also established through her market research and analysis. Deana works with numerous industry suppliers, utility managers and analysts to secure energy service contracts and discuss industry specifics. Prior to joining PPS, Mrs. Maxwell was employed as an Energy Analyst for Strategic Energy (SEL), in Pittsburgh, Pennsylvania (now Direct Energy). She was hired as an Administrative Assistant to SEL's electricity group and then Promoted to an Energy Analyst to assist with their growing efforts. Her responsibilities at SEL included spreadsheet development and design, utility tariff rate analysis, statistical analysis and coordination of marketing and conference presentations. Mrs. Maxwell was also responsible for coordinating the assembly, completion and general quality control of customer and marketing projects for SEL's Electricity Group. She also had significant experience in dealing with utilities and other reporting agencies to acquire needed information such as various FERC filings, tariffs and regulatory and legislative research.
