CASE NO. 20-780-EL-ACP

**IN THE MATTER OF THE REALGY, LLC
2020 RENEWABLE PORTFOLIO STANDARD
STATUS REPORT.**

CASE NO. 21-424-EL-ACP

ENTRY

Entered in the Journal on December 2, 2021

{¶ 1} On April 13, 2020, Realgy, LLC d/b/a Realgy Energy Services (Realgy) filed its renewable portfolio standard (RPS) annual compliance report for 2019, pursuant to Ohio Adm.Code 4901:1-40-05, in Case No. 20-780-EL-ACP.

{¶ 2} Thereafter, on April 14, 2021, Realgy filed its RPS annual compliance report for 2020, pursuant to Ohio Adm.Code 4901:1-40-05, in Case No. 21-424-EL-ACP.

{¶ 3} Ohio Adm.Code 4901:1-40-05(D) provides that, if the Commission takes no action with respect to an annual compliance status report within 60 days of the filing of Staff's findings and recommendations, the report is deemed automatically approved on the 61st day after the date filed.

{¶ 4} Pursuant to its review and recommendation filed on November 2, 2021, in Case No. 20-780-EL-ACP, Staff alleges Realgy did not satisfy its 2019 RPS compliance obligations and that an alternative compliance payment in the amount of \$44,717.84 is warranted to address its obligations. Staff further requested that this case be suspended.

{¶ 5} Additionally, pursuant to its review and recommendation filed on November 2, 2021, in Case No. 21-424-EL-ACP, Staff alleges Realgy did not satisfy its 2020 RPS compliance obligations and that an alternative compliance payment in the amount of \$157,153.62 is warranted to address its obligations. Staff further requested that this case be suspended.

{¶ 6} Therefore, the attorney examiner finds that good cause exists to suspend the 60-day automatic approval process for both reports, in order to give the Commission time to further review this matter.

{¶ 7} It is, therefore,

{¶ 8} ORDERED, That the automatic approval process be suspended for Realgy's 2019 and 2020 RPS annual compliance reports. It is, further,

{¶ 9} ORDERED, That a copy of this Entry be served upon all parties of record.
